- (ii) all payments under or arising from the claims of the Trustee (save as hereinafter provided) and the relevant Noteholders and Couponholders under or arising from such Tier 2 Notes, the relevant Coupons and this Trust Deed (including, without limitation, any payments in respect of damages awarded for breach of obligations) are conditional upon L&G being solvent at the time for payment by L&G, and no amount shall be payable under or arising therefrom unless and until such time as L&G could make such payment and still be solvent immediately thereafter. - (ii) all payments under or arising from the claims of the Trustee (save as hereinafter provided) and the relevant Noteholders and Couponholders under or arising from such Tier 3 Notes, the relevant Coupons and this Trust Deed (including, without limitation, any payments in respect of damages awarded for breach of obligations) are conditional upon L&G being solvent at the time for payment by L&G, and no amount shall be payable under or arising therefrom unless and until such time as L&G could make such payment and still be solvent immediately thereafter. For the purposes of this sub-Clause 2.4.2(ii), L&G shall be solvent if (i) it is able to pay its debts owed to Senior Creditors and Pari Passu Creditors (as such terms are defined in Tier 3 Condition 18) as they fall due and (ii) its Assets exceed its Liabilities.

The subordination of the claims of the Trustee, the Noteholders and the Couponholders set out above, in the Tier 2 Conditions and in the Tier 3 Conditions shall not affect any liability of L&G to the Trustee in its personal capacity and in such capacity the Trustee shall rank as a Senior Creditor of L&G.

2.5 Discharge: Subject to sub-Clause 2.6, any payment to be made in respect of the Notes or the Coupons by the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) or the Trustee may be made as provided in the Conditions and any payment so made shall (subject to sub-Clause 2.6) to that extent be a good discharge to the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) or the Trustee, as the case may be (including, in the case of Notes represented by an NGN, whether or not the corresponding entries have been made in the records of Euroclear and Clearstream, Luxembourg).

2.6 Payment After a Default: At any time after an Event of Default or a Potential Event of Default has occurred the Trustee may:

2.6.1 by notice in writing to the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF), the Paying Agents and the Transfer Agents, require the Paying Agents and the Transfer Agents, until notified by the Trustee to the contrary, so far as permitted by applicable law:

- (i) to act as Paying Agents and Transfer Agents of the Trustee under this Trust Deed and the Notes on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Paying Agents and the Transfer Agents shall be limited to the amounts for the time being held by the Trustee in respect of the Notes on the terms of this Trust Deed) and thereafter to hold all Notes, Certificates, Coupons and Talons and all moneys, documents and records held by them in respect of Notes, Certificates, Coupons and Talons to the order of the Trustee; or

- (ii) to deliver all Notes, Certificates, Coupons and Talons and all moneys, documents and records held by them in respect of the Notes, Certificates, Coupons and Talons to the Trustee or as the Trustee directs in such notice; and

2.6.2 by notice in writing to the relevant Issuer and the Guarantor (in the case of Notes issued by L&GF), require it or them, as the case may be, to make all subsequent payments in respect of the Notes, Coupons and Talons to or to the order of the Trustee and not to the Issuing and Paying Agent with effect from the issue of such notice to the relevant Issuer and, if applicable, the Guarantor and, from then until such notice is withdrawn, proviso (1) to sub-Clause 2.3 above shall cease to have effect.

2.7 Rate of Interest After a Default: If the Notes bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period during which the Notes become so repayable.

2.8 Instructions to the Trustee: The relevant Issuer (and the Guarantor in the case of Notes issued by L&GF) may request and the relevant Noteholder may instruct the Trustee in writing to agree to any proposal in respect of Notes beneficially held in their entirety by or on behalf of the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) or any of their Subsidiaries that could have been sanctioned pursuant to a resolution passed at a meeting of Noteholders pursuant to the provisions of Schedule 3 but for the relevant sole Noteholder's disenfranchisement pursuant to the definition of "outstanding" in Clause 1.1, provided that the Trustee shall not be obliged to agree to any such proposal if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in the Trust Deed. The Trustee shall not be liable to the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) or any Noteholder for any detriment caused or any loss occasioned by reason of giving such instructions or by the Trustee acting upon any such instructions.

2.9 Listing of Notes issued pursuant to a Pricing Supplement: where Notes are issued pursuant to a Pricing Supplement (a pricing supplement specifying the relevant issue details of Notes issued under the Programme without reliance on a prospectus and where no obligation arises for the Issuer, any Guarantor or any Dealer to publish a prospectus pursuant to Article 3 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA in respect of such issuance, substantially in the form set out in Schedule 4) the Issuer and the relevant sole Noteholder may agree to list such Notes on the official list of the Financial Conduct Authority and admit such Notes to trading on the Market. Where such agreement is reached between the Issuer and the relevant sole Noteholder, the Issuer shall notify the Trustee in writing as soon as reasonably practicable after such agreement is reached. If, following such agreement, the Issuer is unable to obtain the listing of such Notes on the official list of the Financial Conduct Authority and the admission to trading of such Notes on the Market, having used reasonable endeavours to do so, it may list such Notes on such other stock exchange as may be selected by the Issuer with the agreement of the relevant sole Noteholder and shall notify the Trustee as soon as reasonably practicable.

2.10 Amended and Restated Final Terms: where the Issuer and a Noteholder agree to list Notes issued pursuant to a Pricing Supplement on the Official List of the Financial Conduct Authority and admit such Notes to trading on the Market, as contemplated in Clause 2.9 above, the applicable Pricing Supplement shall be amended and restated in order to constitute Final Terms using the form of amended and restated Final Terms as set out in Schedule 5. Nothing in this Clause 2.10 shall prevent the Issuer and the Trustee, acting on written instruction from the relevant Noteholder, from

agreeing that such Notes are to be listed and admitted to trading with Final Terms based on a form of Final Terms other than those as set out in Schedule 5. The Trustee shall not be liable to any party, any Noteholder or any other person for any detriment or loss occasioned by it acting on any such written instruction from the relevant sole Noteholder.

3 Form of the Notes

3.1 The Global Notes: The Notes shall initially be represented by a Temporary Global Note or a Permanent Global Note or one or more Certificates in the nominal amount of the Tranche being issued. Interests in Temporary Global Notes shall be exchangeable for Definitive Notes or interests in Permanent Global Notes as set out in each Temporary Global Note. Interests in Permanent Global Notes shall be exchangeable for Definitive Notes as set out in each Permanent Global Note.

3.2 The Definitive Notes: The Definitive Notes, Coupons and Talons shall be security printed and the Certificates shall be printed, in each case in accordance with applicable legal and stock exchange requirements, substantially in the forms set out in Schedule 2. The Notes and Certificates (other than Global Certificates) shall be endorsed with the Conditions.

3.3 Signature: The Notes, Certificates, Coupons and Talons shall be signed manually or in facsimile by a Director of the relevant Issuer, the Notes shall be authenticated by or on behalf of the Issuing and Paying Agent and the Certificates shall be authenticated by or on behalf of the Registrar. The relevant Issuer may use the facsimile signature of a person who at the date of this Trust Deed is such a Director even if at the time of issue of any Notes, Certificates, Coupons or Talons he no longer holds that office. In the case of a Global Note which is an NGN or a Global Certificate which is held under the NSS, the Issuing and Paying Agent or the Registrar shall also instruct the Common Safekeeper to effectuate the same. Notes, Certificates, Coupons and Talons so executed and authenticated (and effectuated, if applicable) shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer.

4 Stamp Duties and Taxes

4.1 Stamp Duties: The relevant Issuer shall pay any stamp, issue, documentary or equivalent taxes and duties, including interest and penalties, payable in Belgium, Luxembourg and the United Kingdom in respect of the creation and issue of the Notes, Certificates, Coupons and Talons and the execution or delivery of this Trust Deed. The relevant Issuer shall also indemnify the Trustee, the Noteholders and the Couponholders from and against all stamp, issue, documentary or equivalent taxes required to be paid and paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to enforce the relevant Issuer's obligations under this Trust Deed or the Notes, Certificates, Coupons or Talons.

4.2 Change of Taxing Jurisdiction: If the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) becomes subject generally to the taxing jurisdiction of a territory or a taxing authority of or in that territory with power to tax other than or in addition to the United Kingdom or any such authority of or in such territory then the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) shall (unless the Trustee otherwise agrees) give the Trustee an undertaking reasonably satisfactory to the Trustee in terms corresponding to the terms of Condition 8 with the substitution for, or (as the case may require) the addition to, the references in that Condition to the relevant jurisdiction of references to that other or additional territory or authority to whose taxing jurisdiction the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has become so subject and, in the case of the Tier 2 Notes or Tier 3 Notes, a corresponding change shall be made to the definition of "Tax Law Change" in Tier 2 Condition 6 or Tier 3 Condition 6. In such event this Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be read accordingly.

5 Guarantee and Indemnity

- 5.1 Guarantee:** In the case of Notes issued by L&GF, the Guarantor unconditionally and irrevocably guarantees that, if L&GF does not pay any sum payable by it under this Trust Deed, the Notes or the Coupons by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), the Guarantor shall pay that sum to or to the order of the Trustee, in the manner provided in sub-Clause 2.3 (or, if in respect of sums due under Clause 10, in pounds sterling in London in immediately available funds) before close of business on that date in the city to which payment is so to be made. Sub-Clauses 2.3(1) and 2.3(2) shall apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 10. All payments under the Guarantee by the Guarantor shall be made subject to Condition 8 and sub-Clause 4.2.
- 5.2 Guarantor as Principal Debtor:** As between the Guarantor and the Trustee, the Noteholders and the Couponholders, but without affecting L&GF's obligations, the Guarantor will be liable under this Clause 5 as if it were the sole principal debtor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to L&GF or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on L&GF or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed, the Notes or the Coupons or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of L&GF or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed, the Notes or the Coupons or any of L&GF's obligations under any of them).
- 5.3 Guarantor's Obligations Continuing:** The Guarantor's obligations under this Trust Deed with respect to Notes issued by L&GF are and shall remain in full force and effect by way of continuing security until no sum remains payable by L&GF under this Trust Deed, the Notes or the Coupons. Furthermore, those obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise and may be enforced without first having recourse to L&GF, any other person, any security or any other guarantee or indemnity. The Guarantor irrevocably waives all notices and demands of any kind.
- 5.4 Exercise of Guarantor's Rights:** So long as any sum remains payable under this Trust Deed, the Notes or the Coupons:
- 5.4.1** any right of the Guarantor, by reason of the performance of any of its obligations under this Clause 5, to be indemnified by L&GF or to take the benefit of or to enforce any security or other guarantee or indemnity shall be exercised and enforced by the Guarantor only in such manner and on such terms as the Trustee may require or approve; and
- 5.4.2** any amount received or recovered by the Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of L&GF shall be held on trust for the Trustee and immediately paid to the Trustee and the Trustee shall hold it on the trusts set out in sub-Clause 6.1.
- 5.5 Suspense Accounts:** Any amount received or recovered by the Trustee (otherwise than as a result of a payment by L&GF to the Trustee in accordance with Clause 2) in respect of any sum payable by L&GF under this Trust Deed, the Notes or the Coupons may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

- 5.6 Avoidance of Payments:** The Guarantor shall on demand indemnify the Trustee, each Noteholder and each Couponholder against any cost, loss, expense or liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by L&GF under this Trust Deed, any Note or the Coupons relating to that Note and shall in any event pay to it on demand the amount as refunded by it.
- 5.7 Debts of L&GF:** If any moneys become payable by the Guarantor under this Guarantee, L&GF shall not (except in the event of its liquidation) so long as any such moneys remain unpaid, pay any moneys for the time being due from L&GF to the Guarantor.
- 5.8 Indemnity:** As separate, independent and alternative stipulations, the Guarantor unconditionally and irrevocably agrees (1) that any sum that, although expressed to be payable by L&GF under this Trust Deed, the Notes or the Coupons, is for any reason (whether or not now existing and whether or not now known or becoming known to L&GF, the Guarantor, the Trustee or any Noteholder or Couponholder) not recoverable from the Guarantor on the basis of a guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor and shall be paid by it to the Trustee on demand and (2) as a primary obligation to indemnify the Trustee, each Noteholder and each Couponholder against any loss suffered by it as a result of any sum expressed to be payable by L&GF under this Trust Deed, the Notes or the Coupons not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of L&GF under this Trust Deed, the Notes or the Coupons being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Trustee, any Noteholder or any Couponholder), the amount of that loss being the amount expressed to be payable by L&GF in respect of the relevant sum.
- 5.9 Incorporation of Terms:** The Guarantor agrees that it shall comply with and be bound by those provisions contained in the Conditions which relate to it in such capacity.

6 Application of Moneys received by the Trustee

- 6.1 Declaration of Trust:** All moneys received by the Trustee in respect of the Notes or amounts payable under this Trust Deed in respect thereof shall, despite any appropriation of all or part of them by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF), be held by the Trustee on trust to apply them (subject to sub-Clauses 5.5 and 6.2):
- 6.1.1** first, in payment of all costs, charges, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) in carrying out its functions under this Trust Deed;
 - 6.1.2** secondly, in payment of any amounts owing in respect of the Notes or Coupons *pari passu* and rateably; and
 - 6.1.3** thirdly, in payment of any balance to the Issuer for itself or (in the case of Notes issued by L&GF), if any moneys were received from the Guarantor and to the extent of such moneys, the Guarantor.

If the Trustee holds any moneys in respect of Notes or Coupons that have become void or in respect of which claims have become prescribed, the Trustee shall hold them on these trusts.

- 6.2 Accumulation:** If the amount of the moneys at any time available for payment in respect of the Notes under sub-Clause 6.1 is less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee may, at its discretion, invest such moneys. The Trustee may retain such investments and accumulate the resulting income until the investments and the accumulations, together with any other funds for the time being under its control and available for such payment, amount to at least 10 per cent. of the nominal amount of the Notes then outstanding and such

investments, accumulations and funds (after deduction of, or provision for, any applicable taxes) shall then be applied as specified in sub-Clause 6.1.

- 6.3 Investment:** Moneys held by the Trustee may be invested in its name or under its control in any investments or other assets anywhere whether or not they produce income or deposited in its name or under its control at such bank or other financial institution in such currency as the Trustee may, in its absolute discretion, think fit. If that bank or institution is the Trustee or a subsidiary, holding or associated company of the Trustee, it need only account for an amount of interest equal to the largest amount of interest payable by it on such a deposit to an independent customer. The Trustee may at any time vary or transpose any such investments or assets or convert any moneys so deposited into any other currency, and shall not be responsible for any resulting loss, whether by depreciation in value, change in exchange rates or otherwise.

7 Enforcement

- 7.1 Senior Notes: Proceedings brought by the Trustee:** At any time after the Senior Notes of any Series shall have become immediately due and repayable, and are not paid when so due and repayable, the Trustee may at its discretion and without further notice take such proceedings as it may think fit against the relevant Issuer to enforce repayment thereof together with premium (if any) and accrued interest and any other moneys payable pursuant to this Trust Deed and may, in order to enforce the obligations of the Guarantor (in the case of Notes issued by L&GF) under this Trust Deed, at its discretion and without further notice, take such proceedings as it may think fit against the Guarantor.

- 7.2 Tier 2 Notes or Tier 3 Notes: Proceedings brought by the Trustee:** At any time after the Tier 2 Notes or Tier 3 Notes of any Series become due and repayable and are not paid when so due and repayable the Trustee may, subject to and in accordance with Condition 10, at its discretion and without further notice institute proceedings for the winding-up of L&G and/or prove in the winding-up or administration of L&G and/or claim in the liquidation of L&G for such payment, but may take no further or other action to enforce, prove or claim for any such payment. No payment in respect of the Tier 2 Notes or Tier 3 Notes, the Coupons or the Trust Deed may be made by L&G pursuant to this Clause 7.2, otherwise than during or after a winding-up of L&G or after any administrator of the Issuer has given notice that it intends to declare and distribute a dividend, unless L&G has given prior written notice (with a copy to the Trustee) to, and received consent (if required) from, the Relevant Regulator which L&G shall confirm in writing to the Trustee.

- 7.3 Proof of Default:** Should the Trustee take legal proceedings against L&G or L&GF (as the case may be) to enforce any of the provisions of this Trust Deed:

7.3.1 proof therein that, as regards any specified Note, the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has made default in paying any principal, premium or interest due in respect of such Note shall (unless the contrary be proved) be sufficient evidence that the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has made the like default as regards all other Notes which are then due and repayable; and

7.3.2 proof therein that, as regards any specified Coupon, the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has made default in paying any interest due in respect of such Coupon shall (unless the contrary be proved) be sufficient evidence that the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has made the like default as regards all other Coupons which are then due and payable.

8 Proceedings

- 8.1 Action taken by Trustee:** The Trustee shall not be bound to take any such proceedings as are mentioned in sub-Clause 7.1 or sub-Clause 7.2 (as appropriate) unless respectively directed or requested to do so (i) by an Extraordinary Resolution or (ii) in writing by the holders of at least one-

- 8.2 Trustee only to enforce:** Only the Trustee may enforce the provisions of this Trust Deed. No holder shall be entitled to proceed directly against the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) to enforce the performance of any of the provisions of this Trust Deed unless the Trustee, having become bound as aforesaid to take proceedings, fails to do so within a reasonable period and such failure shall be continuing.

In addition, in respect of Tier 2 Notes or Tier 3 Notes, no holder shall be entitled to institute proceedings for the winding-up of L&G or to prove in such a winding-up, unless the Trustee, having become bound to proceed against L&G, fails to do so or, being able to prove in such a winding-up, fails to do so (in each case, within a reasonable period and where such failure is continuing).

Such remuneration shall accrue from day to day from the date of this Trust Deed and be payable (in priority to payments to the Noteholders and Couponholders) for so long as any Notes remain outstanding. However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note or Coupon is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

10.2 Extra Remuneration: If an Event of Default or Potential Event of Default shall have occurred and is continuing the relevant Issuer hereby agrees that the Trustee shall be entitled to be paid additional remuneration calculated at the Trustee's prevailing standard hourly rates in force from time to time as notified by the Trustee to the Issuer. If the Trustee finds it expedient or necessary or is requested by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) to undertake duties that they both agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under this Trust Deed, the relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by L&GF) shall pay such additional remuneration as they may agree (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time) or, failing agreement as to any of the matters in this sub-Clause 10.2 (or as to such sums referred to in sub-Clause 10.1), as determined by an independent financial institution or person (acting as an expert) selected by the Trustee and approved by the relevant Issuer, failing whom the Guarantor (in the case of Notes issued by L&GF) or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. The expenses involved in such nomination and such an independent financial institution's or person's fee shall be borne by the relevant Issuer. The determination of such independent financial institution or person shall be conclusive and binding on the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF), the Trustee, the Noteholders and the Couponholders.

10.3 Expenses: The relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by L&GF), shall also pay or discharge on the date specified in a written demand by the Trustee all costs, charges, liabilities and expenses properly incurred by the Trustee in the preparation and execution of this Trust Deed and the performance of its functions under this Trust Deed including, but not limited to, legal and travelling expenses and (without double recovery under sub-Clause 4.1 above) any stamp, documentary or equivalent taxes or duties paid by the Trustee in connection with any legal proceedings reasonably brought or contemplated by the Trustee against the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) to enforce any provision of this Trust Deed, the Notes or the Coupons. Such costs, charges, liabilities and expenses shall:

10.3.1 in the case of payments made by the Trustee before such demand, carry interest on such payments at the rate of the Trustee's cost of funding (such rate to not be above the rate at which the Trustee could borrow such funds from its principal bankers) from the date on which the Trustee made such payments until the date the Issuer or the Guarantor, as the case may be, pays the Trustee the full amount of the relevant payment;

10.3.2 in other cases, carry interest at such rate from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date; and

10.3.3 not include any amount which (i) is or represents tax owed by the Trustee on or by reference to its income, profits or gains, (ii) has given rise to an obligation to pay an amount in respect of value added tax or equivalent tax under sub-Clause 10.4 below, or (iii) has given rise to

an obligation to pay an additional amount under sub-Clause 10.7 below (or would have given rise to such an obligation but for an exclusion to that obligation).

10.4 Value Added Tax: The relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by LG&F) shall, in addition to amounts payable under this Trust Deed, pay to the Trustee an amount equal to the amount of any value added tax or equivalent tax for which the Trustee is liable to account to any tax authority in respect of any supply of services made by the Trustee pursuant to this Trust Deed, subject to the receipt of a valid invoice for the purposes of value added tax or such equivalent tax in respect of such supply.

10.5 Indemnity:

The relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by L&GF), will, on demand, indemnify the Trustee in respect of Amounts or Claims paid or properly incurred by it in acting as trustee under this Trust Deed (including (1) any Agent/Delegate Liabilities and (2) in respect of disputing or defending any Amounts or Claims made against the Trustee or any Agent/Delegate Liabilities). L&G will and (in the case of Notes issued by L&GF) L&G and L&GF will jointly and severally, on demand by such agent or delegate, indemnify it against such Agent/Delegate Liabilities. “**Amounts or Claims**” are losses, liabilities, costs, fees, claims, actions, demands or expenses and “**Agent/Delegate Liabilities**” are Amounts or Claims which the Trustee is or would be obliged to pay or reimburse to any of its agents or delegates appointed pursuant to this Trust Deed.

10.6 The relevant Issuer and the Guarantor (in the case of Notes issued by L&GF) shall have no obligation and no amounts shall be payable to the Trustee under sub-Clause 10.5 above in respect of any amount which (i) is or represents tax owed by the Trustee on or by reference to its income, profits or gains, or (ii) has given rise to an obligation to pay an amount in respect of value added tax or equivalent tax under sub-Clause 10.4 above, or (iii) has given rise to an obligation to pay an additional amount under sub-Clause 10.7 below (or would have given rise to such an obligation but for an exclusion in that sub-Clause).

10.7 All payments to be made by the relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by LG&F) to the Trustee under these presents shall be made without withholding or deduction for any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within any relevant jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by LG&F) shall pay such additional amount as will, after such deduction or withholding has been made, leave the Trustee with the full amount which would have been received by the Trustee had no such withholding or deduction been required.

10.8 Continuing Effect: Sub-Clauses 10.3 and 10.5 will continue in full force and effect as regards the Trustee even if it no longer is Trustee unless otherwise specified in any discharge of the trusts of this Trust Deed.

11 Provisions Supplemental to the Trustee Act 1925 and the Trustee Act 2000

Where there are any inconsistencies between either the Trustee Act 1925 or the Trustee Act 2000 and the provisions of this Trust Deed, the provisions of this Trust Deed shall, to the extent allowed by law, prevail and, in the case of such inconsistency with the Trustee Act 2000, the provisions of these presents shall constitute a restriction or exclusion for the purposes of that Act. The Trustee shall have all the powers conferred upon trustees by the Trustee Act 1925 and the Trustee Act 2000 and by way of supplement thereto it is expressly declared as follows:

11.1 Advice: The Trustee may act or rely on the opinion or advice of, or information obtained by the Issuers, the Trustee or otherwise from, any banker, broker, lawyer or other expert (whether or not

addressed to the Trustee) and shall not be responsible to anyone for any loss occasioned by so acting or relying. Any such opinion, advice or information may be sent or obtained by letter, telex, email or fax and the Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic.

- 11.2 Trustee to Assume Performance:** The Trustee need not notify anyone of the execution of this Trust Deed or do anything to find out if a Regulatory Deficiency Interest Deferral Event, Compulsory Interest Payment Event, Solvency II Implementation, Regulatory Deficiency Redemption Deferral Event, Tax Law Change, Capital Disqualification Event or Rating Methodology Event (in the case of Tier 2 Notes or Tier 3 Notes only), Event of Default or Potential Event of Default has occurred. Until it has actual knowledge or express notice to the contrary, the Trustee may assume that no such event has occurred and that each of the Issuers and the Guarantor (in the case of Notes issued by L&GF) is performing all their obligations under this Trust Deed, the Notes, the Coupons and the Talons as if no such event has occurred.
- 11.3 Resolutions of Noteholders:** The Trustee shall not be responsible for having acted in good faith on a resolution purporting to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed even if it is later found that there was a defect in the constitution of the meeting or the passing of the resolution or that the resolution was not valid or binding on the Noteholders or Couponholders.
- 11.4 Certificate Signed by Directors or other Authorised Signatories:** If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act (including, without limitation, as to the circumstances described in Tier 2 Conditions 5(b), 6(a)(v), 6(d), 6(f) and 6(g), Tier 3 Conditions 5(b), 6(a)(v), 6(d), 6(f) and 6(g) and Senior Condition 6(c)) a certificate signed by the relevant Issuer's Auditors or any two Directors or other Authorised Signatories of the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.
- 11.5 Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.
- 11.6 Discretion:** The Trustee shall have absolute and uncontrolled discretion as to the exercise of its functions and shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience that may result from their exercise or non-exercise.
- 11.7 Agents:** The Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money).
- 11.8 Delegation:** Whenever it considers it expedient in the interests of the Noteholders, the Trustee may in the conduct of its trust business delegate to any person on any terms (including power to sub-delegate) all or any of its functions.
- 11.9 Nominees:** In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.
- 11.10 Forged Notes:** The Trustee shall not be liable to the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) or any Noteholder or Couponholder by reason of having accepted as valid

or not having rejected any Note, Certificate, Coupon or Talon or entry in the Register purporting to be such and later found to be forged or not authentic.

- 11.11 Confidentiality:** Unless ordered to do so by a court of competent jurisdiction, the Trustee shall not be required to disclose to any Noteholder or Couponholder any confidential, financial or other information made available to the Trustee by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF).
- 11.12 Determinations Conclusive:** As between itself and the Noteholders and Couponholders, the Trustee may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee, the Noteholders and the Couponholders.
- 11.13 Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, such sum will (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF), the Noteholders and the Couponholders.
- 11.14 Events of Default:** The Trustee may determine whether or not an Event of Default or Potential Event of Default is in its opinion capable of remedy and/or materially prejudicial to the interests of the Noteholders. Any such determination shall be conclusive and binding on the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF), the Noteholders and the Couponholders.
- 11.15 Payment for and Delivery of Notes:** The Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes, any exchange of Notes or the delivery of Notes to the persons entitled to them.
- 11.16 Notes Held by the Issuer etc.:** In the absence of knowledge or express notice to the contrary, the Trustee may assume without enquiry (other than by requesting a certificate under sub-Clause 9.12) that no Notes are for the time being held by or on behalf of the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) or their respective Subsidiaries.
- 11.17 Legal Opinions:** The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.
- 11.18 Programme Limit:** The Trustee shall not be concerned, and need not enquire, as to whether or not any Notes are issued in breach of the Programme Limit.
- 11.19 Responsibility for Agents etc.:** If the Trustee exercises reasonable care in selecting any custodian, agent, delegate or nominee appointed under this Clause 11 (an “**Appointee**”), it will not have any obligation to supervise the Appointee or be responsible for any loss, liability, cost, claim, action, demand or expense incurred by reason of the Appointee’s misconduct or default or the misconduct or default of any substitute appointed by the Appointee.
- 11.20 Enforcement of Other Obligations:** The Trustee may, at its discretion, take such steps as it may think fit to enforce any obligation owed to it as Trustee hereof by any person or body other than the Issuer but it need not take any such steps unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one quarter in nominal amount of the Notes outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.
- 11.21 Trustee Liability:** Nothing contained in this Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise

of any rights, power, authority or discretion hereunder if it has grounds for believing the repayment of the funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

- 11.22 Certificates from Clearing Systems:** The Trustee may call for any certificate or other document to be issued by Clearstream, Luxembourg or Euroclear (or any alternative clearing system on behalf of whom the Global Note may be held) as to the principal amount of Notes represented by the Global Note standing to the account of any person. Any such certificate or other document shall, in the absence of manifest error or error proven to the satisfaction of the Trustee, be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Clearstream, Luxembourg or Euroclear (or any such alternative clearing system) and subsequently found to be forged or not authentic or not to be correct.
- 11.23 Recitals:** The Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in these presents, or any other agreement or document relating to the transactions contemplated in this Trust Deed or under such other agreement or document.
- 11.24 Auditors:** The Trustee shall be entitled to rely on (and shall not be liable for any loss which results from its doing so) any certificate or report of the Auditors, whether the liability in relation thereto has been limited (by any terms of engagement or otherwise) by reference to a monetary cap and/or otherwise.
- 11.25 Trustee Not Required to Act Illegally:** No provision of these presents shall require the Trustee to do anything which may in its opinion be illegal or contrary to applicable law or regulation.
- 11.26 Trustee Evaluation of Indemnity or Security:** When determining whether an indemnity or any security is satisfactory to it, the Trustee shall be entitled, acting reasonably, to evaluate its risk in given circumstances by considering the worst-case scenario and, for this purpose, it may take into account, without limitation, the potential costs of defending or commencing proceedings in England or elsewhere and the risk, however remote, of any award of damages against it in England or elsewhere.
- 11.27 Indemnity by Noteholders:** The Trustee shall be entitled to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.
- 11.28 FATCA:** The Trustee shall be entitled to deduct any amounts required to be withheld or deducted pursuant to FATCA or arising under or in connection with FATCA or any agreement entered into pursuant to FATCA ("**FATCA Withholding Tax**"), and shall have no obligation to gross-up any payment hereunder or to pay any additional amount as a result of such FATCA Withholding Tax.

12 Trustee Liable for Negligence

Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee, provided that, if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing in this Trust Deed shall relieve or indemnify it from or against any liability that would otherwise attach to it in respect of any negligence, default, breach of duty or breach of trust of which it may be culpable.

13 Waiver

- 13.1 Waiver:** The Trustee may, without the consent of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders will not be materially prejudiced thereby, waive or authorise,

on such terms as seem expedient to it, any breach or proposed breach by the Issuer or the Guarantor (in the case of Notes issued by L&GF) of this Trust Deed or the Conditions or determine that an Event of Default or Potential Event of Default shall not be treated as such provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution or a request made pursuant to Condition 10. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified to the Noteholders as soon as practicable.

- 13.2 Consents:** Where under this Trust Deed provision is made for the giving of any consent or approval or the exercise of any discretion by the Trustee, any such consent or approval may be given and any such discretion may be exercised on such terms and conditions (if any) as the Trustee may think fit and may be given or exercised with retrospective effect. The Issuer shall observe and perform any such terms and conditions and the Trustee may at any time waive or agree a variation of such terms and conditions.

14 Trustee not Precluded from Entering into Contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Coupon, Talon or other security (or any interest therein) of L&G or L&GF or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

15 Modification and Substitution

- 15.1 Modification:** The Trustee may agree without the consent of the Noteholders or Couponholders to any modification of any provisions of this Trust Deed or any trust deed supplemental to this Trust Deed that is, in its opinion, of a formal, minor or technical nature or to correct a manifest error or error proven to the satisfaction of the Trustee. The Trustee may also so agree to any modification to this Trust Deed that is, in its opinion, not materially prejudicial to the interests of the Noteholders, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3. Notwithstanding the foregoing, the agreement or approval of the Noteholders shall not be required in the case of any variation of the Conditions and/or this Trust Deed to which the Trustee has been obliged to agree in the circumstances described in Senior Condition 5(b)(iii)(E) or 5(d)(iv), Tier 2 Condition 4(b)(iii)(E) or 4(d)(iv) or Tier 3 Condition 4(b)(iii)(E) or 4(d)(iv) in connection with the variation of the Notes to give effect to any Alternative Reference Rate, Adjustment Spread, Floating Rate Calculation Changes, Benchmark Replacement, Benchmark Replacement Conforming Changes or Alternative Relevant Rate, as applicable (as such terms are defined in the Senior Conditions, Tier 2 Conditions or Tier 3 Conditions (as applicable)), in the circumstances described in Tier 2 Conditions 6(d) or 6(f) in connection with the substitution or variation of the Notes so that they are replaced by, or become, Qualifying Tier 2 Securities, in the circumstances described in Tier 3 Conditions 6(d) or 6(f) in connection with the substitution or variation of the Notes so that they are replaced by, or become, Qualifying Tier 3 Securities, or in the circumstances described in Tier 2 Condition 6(g) or Tier 3 Condition 6(g) in connection with the substitution or variation of the Notes so that they are replaced by, or become, Rating Agency Compliant Securities (as such term is defined in Tier 2 Conditions or Tier 3 Conditions (as applicable)), and no such substitution, variation or amendment proposed in relation thereto shall be regarded as a matter described in items (i) to (viii) in the first paragraph of Senior Condition 11(a), Tier 2 Condition 11(a) or Tier 3 Condition 11(a).

No modification with respect to Tier 2 Notes or Tier 3 Notes (other than a modification which is of a formal, minor or technical nature or to correct a manifest error or error proven to the satisfaction of

the Trustee) under this sub-Clause 15.1 shall become effective unless L&G shall have given at least one month's prior written notice to, and received no objection from, the Relevant Regulator (or such shorter period of notice as the Relevant Regulator may accept or require and so long as there is a requirement to give such notice).

15.2 Substitution – Senior Notes: With respect to Senior Notes only:

Unless otherwise stated, terms defined in this sub-Clause 15.2 are only used in relation to the Senior Notes.

15.2.1 Discretion to Agree to Substitution: The Trustee may, without the consent of the Noteholders or Couponholders, agree to the substitution of (a) the Retiring Issuer's successor in business or any Subsidiary or Holding Company of the Retiring Issuer or its successor in business or (b) (in the case of Notes issued by L&GF) the Existing Guarantor or its successor in business or any Subsidiary or Holding Company of the Existing Guarantor or its successor in business (the "**New Issuer**") in place of the Retiring Issuer as the principal debtor under this Trust Deed, the Notes, the Coupons and the Talons and the Trustee may (in the case of Notes issued by L&GF), without the consent of the Noteholders or Couponholders, agree to the substitution of the Existing Guarantor's successor in business or any Subsidiary or Holding Company of the Existing Guarantor or its successor in business (a "**New Guarantor**") in place of the Existing Guarantor as the guarantor under this Trust Deed, the Notes, the Coupons and the Talons, in each case provided that:

- (i) a deed is executed or undertaking given by the New Issuer or the New Guarantor (as the case may be) (each a "**Substituted Obligor**") to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by this Trust Deed, the Notes, the Coupons and the Talons (with such consequential amendments as the Trustee may deem appropriate) as if the Substituted Obligor had been named in this Trust Deed, the Notes, the Certificates, the Coupons and the Talons as the principal debtor in place of the Retiring Issuer or as the guarantor in place of the Existing Guarantor, as the case may be;
- (ii) if the Substituted Obligor is subject generally to the taxing jurisdiction of a territory, or any authority of or in that territory with power to tax (the "**Substituted Territory**"), other than the territory to the taxing jurisdiction of which (or to any authority of or in which) in the case of the Retiring Issuer, the Retiring Issuer is subject generally (the "**Issuer's Territory**"), or (in the case of the Existing Guarantor) the Existing Guarantor is subject generally (the "**Guarantor's Territory**"), the Substituted Obligor shall (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for the references in that Condition to the relevant Issuer's Territory or the relevant Guarantor's Territory, as the case may be, of references to the Substituted Territory. In such event, this Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be read accordingly;
- (iii) if any two Directors of the Substituted Obligor certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the Substituted Obligor's financial condition, profits or prospects or compare them with those of L&G or L&GF;
- (iv) the Retiring Issuer, (in the case of Notes issued by L&GF) the Existing Guarantor and the Substituted Obligor comply with such other requirements as the Trustee may direct in the interests of the Noteholders; and

- (v) in the case of Notes issued by L&GF (unless the Existing Guarantor or its successor in business is the New Issuer in place of the Retiring Issuer as principal debtor), the obligations of the New Issuer as principal debtor under this Trust Deed, the Notes and the Coupons are guaranteed by the Existing Guarantor in the same terms (with such consequential amendments as necessary) as the Guarantee to the Trustee's satisfaction.

15.2.2 Noteholders as a Class: In connection with any proposed substitution as aforesaid, the Trustee shall have regard to the interests of the Noteholders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no Noteholder or Couponholder shall be entitled to claim, whether from the Retiring Issuer, the Existing Guarantor, the New Issuer or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual Noteholders or Couponholders except to the extent already provided in Condition 8 of the Senior Conditions and/or any undertaking given in addition thereto or in substitution therefor pursuant to this Trust Deed.

15.2.3 Release of Substituted Issuer or Guarantor: An agreement by the Trustee pursuant to this sub-Clause 15.2 shall, if so expressed, release the Retiring Issuer or, as the case may be, the Existing Guarantor from any or all of its obligations under this Trust Deed, the Notes, the Coupons and the Talons. Notice of the substitution shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

15.2.4 Completion of Substitution: On completion of the formalities set out in this sub-Clause 15.2, the Substituted Obligor shall be deemed to be named in this Trust Deed, the Notes, the Certificates, the Coupons and the Talons as the principal debtor in place of the Retiring Issuer or, as the case may be, as the guarantor in place of the Existing Guarantor and this Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be deemed to be amended as necessary to give effect to the substitution.

15.3 Substitution – Tier 2 Notes and Tier 3 Notes: With respect to Tier 2 Notes and Tier 3 Notes only:

Unless otherwise stated, terms defined in this sub-Clause 15.3 are only used in relation to the Tier 2 Notes and/or Tier 3 Notes, as applicable.

15.3.1 Discretion to Agree to Substitution: The Trustee, if it is satisfied that such substitution would not be materially prejudicial to the interests of the Noteholders or Couponholders, may agree with the Issuer, without the consent of the Noteholders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 3 of the Tier 2 Conditions or the Tier 3 Conditions (as applicable) of the Retiring Issuer's successor in business (the "**New Issuer**") in place of the Retiring Issuer as the principal debtor under this Trust Deed, the Notes, the Coupons and the Talons provided that:

- (i) a deed is executed or undertaking given by the New Issuer to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of this Trust Deed, the Notes, the Coupons and the Talons (with such consequential amendments as the Trustee may deem appropriate) as if the New Issuer had been named in this Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Retiring Issuer;

- (ii) if any two Directors of the New Issuer certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the New Issuer's financial condition, profits or prospects or compare them with those of the Issuer;
- (iii) (without prejudice to the generality of sub-paragraph (i) above) the Trustee may in the event of such substitution agree, without the consent of the Noteholders or Couponholders, to a change in the law governing this Trust Deed and/or the Notes and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders;
- (iv) if the New Issuer is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the "**Substituted Territory**") other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Retiring Issuer is subject generally (the "**Issuer's Territory**"), the New Issuer will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for the references in that Condition and in Condition 6(d) to the Issuer's Territory of references to the Substituted Territory whereupon this Trust Deed, the Notes, the Coupons and the Talons will be read accordingly; and
- (v) the Retiring Issuer and the New Issuer comply with such other requirements as the Trustee may direct in the interests of the Noteholders.

15.3.2 Noteholders as a Class: In connection with any proposed substitution as aforesaid, the Trustee shall have regard to the interests of the Noteholders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no Noteholder or Couponholder shall be entitled to claim, whether from the Retiring Issuer, the New Issuer or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual Noteholders or Couponholders except to the extent already provided in Condition 8 of the Tier 2 Conditions or the Tier 3 Conditions (as applicable) and/or any undertaking given in addition thereto or in substitution therefor pursuant to this Trust Deed.

15.3.3 Regulatory Conditions: Any substitution pursuant to this sub-Clause 15.3 shall: (i) if prior to the fifth anniversary of the Issue Date (or, if any further Tranche(s) of the Notes has or have been issued pursuant to Condition 15 of the Tier 2 Conditions or the Tier 3 Conditions (as applicable) and consolidated to form a single series with the Notes, within five years of the Issue Date of the latest such Tranche to be issued), be subject to Condition 6(c)(i) of the Tier 2 Conditions or the Tier 3 Conditions (as applicable); and (ii) be subject (to the extent then required by the Relevant Regulator or the Relevant Rules) to any notifications to, or consent or provision of non-objection from, the Relevant Regulator and the Relevant Regulator not having withdrawn its approval, permission or consent, to such act.

15.3.4 Release of Retiring Issuer: An agreement by the Trustee pursuant to this sub-Clause 15.3 shall, if so expressed, release the Retiring Issuer from any or all of its obligations under this Trust Deed, the Notes, the Coupons and the Talons. Notice of the substitution shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

15.3.5 Completion of Substitution: On completion of the formalities set out in this sub-Clause 15.3, the New Issuer shall be deemed to be named in this Trust Deed, the Notes, the Certificates, the Coupons and the Talons as the principal debtor in place of the Retiring

Issuer and this Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be deemed to be amended as necessary to give effect to the substitution.

16 Appointment, Retirement and Removal of the Trustee

16.1 Appointment: The relevant Issuer has the power of appointing new Trustees but no-one may be so appointed (save as appointed in sub-Clause 16.3) unless previously approved by an Extraordinary Resolution. A trust corporation shall at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee shall be notified by the relevant Issuer to the Noteholders as soon as practicable.

16.2 Retirement and Removal: Any Trustee may retire at any time on giving at least three months' written notice to the relevant Issuer and the Guarantor (in the case of Notes issued by L&GF) without giving any reason or being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee. If the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) has failed to appoint a trust corporation as Trustee within the three month notice period, the Trustee will be entitled to appoint an alternative trust corporation as Trustee with all the costs of such appointment being borne by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF).

16.3 Co-Trustees: The Trustee may, after consultation with the relevant Issuer where, in the opinion of the Trustee, such consultation is not materially prejudicial to the interests of Noteholders and despite sub-Clause 16.1, by written notice to the relevant Issuer and the Guarantor (in the case of Notes issued by L&GF) appoint anyone to act as an additional Trustee jointly with the Trustee:

16.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

16.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

16.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) and that person remove that person. At the Trustee's request, the relevant Issuer and the Guarantor (in the case of Notes issued by L&GF) shall forthwith do all things as may be required to perfect such appointment or removal and each of them irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

16.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

17 Notes Held in Clearing Systems and Couponholders

17.1 Notes Held in Clearing Systems: So long as any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders or acting on the request or direction of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the

Registered Notes and may consider such interests, and treat such accountholders, on the basis that such accountholders or participants were the holder(s) thereof.

17.2 Couponholders: No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Coupons and Talons relating to it.

18 Currency Indemnity

18.1 Currency of Account and Payment: The Contractual Currency is the sole currency of account and payment for all sums payable by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) under or in connection with this Trust Deed, the Notes and the Coupons, including damages.

18.2 Extent of Discharge: An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) or otherwise) by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer or the Guarantor (in the case of Notes issued by L&GF) shall only discharge the relevant Issuer and the Guarantor (in the case of Notes issued by L&GF) to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

18.3 Indemnity: If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed, the Notes or the Coupons, the relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by L&GF), shall indemnify it against any loss sustained by it as a result. In any event, the relevant Issuer, failing whom, the Guarantor (in the case of Notes issued by L&GF), shall indemnify the recipient against the cost of making any such purchase.

18.4 Indemnity Separate: The indemnities in this Clause 18 and in sub-Clause 10.5 constitute separate and independent obligations from the other obligations in this Trust Deed, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Notes and/or the Coupons or any other judgment or order.

19 Communications

19.1 Method: Each communication under this Trust Deed shall be made by fax, email or otherwise in writing. Each communication or document to be delivered to any party under this Trust Deed shall be sent to that party at the fax number, email address or address, and marked for the attention of the person (if any), from time to time designated by that party to each other party for the purpose of this Trust Deed. The initial telephone number, fax number, email address, address and person so designated by the parties under this Trust Deed are set out in the Procedures Memorandum.

19.2 Deemed Receipt: Any communication from any party to any other under this Trust Deed shall be effective (a) if by email, when received in legible form and (b) if otherwise in writing, when delivered, except that a communication received after 5:00pm on a business day or on a non-business day shall be deemed to be received on the next business day in the place in which the recipient is located. Any communication delivered to any party under this Trust Deed which is to be sent by email will be written legal evidence.

20 Governing Law

This Trust Deed, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with English law.

21 Counterparts

This Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to this Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

Exchange

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this Temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests in a Permanent Global Note or, if so specified in the Second Schedule hereto, for Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Temporary Global Note submitted for exchange provided that, in the case of any part of a D Rules Note submitted for exchange for a Permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

Upon the whole or a part of this Temporary Global Note being exchanged for a Permanent Global Note, such Permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this Temporary Global Note or a Permanent Global Note may be exchangeable shall be duly executed and authenticated, shall have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this Temporary Global Note or the Permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto.

On any exchange of a part of this Temporary Global Note for an equivalent interest in a Permanent Global Note or for Definitive Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this Temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Temporary Global Note is exchanged for equivalent interests in a Permanent Global Note or for Definitive Notes, as the case may be, the holder of this Temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such Permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this Temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a Permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this Temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this Temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this Temporary Global Note, the portion of this Temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this Temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made).

For the purposes of any payments made in respect of this Temporary Global Note, the words “in the relevant place of presentation and” shall not apply in the definition of “**Business Day**” in Condition 7(h).

Cancellation

Cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this Temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

No provision of this Temporary Global Note shall alter or impair the obligation of the Issuer [and the Guarantor] to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions [and the Guarantee].

This Temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This Temporary Global Note, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with English law.

In witness whereof the Issuer has caused this Temporary Global Note to be duly signed on its behalf.

Interpretation and Definitions

References in this Permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part B to the Trust Deed dated 8 April 2003 (as amended and supplemented from time to time and as amended and restated pursuant to an amending and restating deed dated 13 April 2022 and as further amended or supplemented as at the Issue Date, the “**Trust Deed**”) between Legal & General Group Plc, Legal & General Finance PLC and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this Permanent Global Note (including the supplemental definitions and any modifications or additions set out in the Third Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this Permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this Permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the exchange of the whole or a part of the Temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a Temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this Permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this Permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Permanent Global Note, upon presentation and (when no further payment is due in respect of this Permanent Global Note) surrender of this Permanent Global Note, on the Maturity Date (or on such earlier date or, in the case of Undated Tier 2 Notes or Undated Tier 3 Notes, on such date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Permanent Global Note and (unless this Permanent Global Note does not bear interest)

Exchange

This Permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided below, in part for the Definitive Notes:

- 1 at the option of the Issuer, if it would otherwise suffer a material disadvantage in respect of the tax treatment of the Notes as a result of any change in law, regulation or practice of any jurisdiction in which it is resident for tax purposes, which material disadvantage would not be suffered were this Permanent Global Note to be exchanged for Notes in definitive form, and a certificate to such effect signed by two directors or Authorised Signatories (as defined in the Trust Deed) of the Issuer is delivered to the Trustee; or
- 2 otherwise, if Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so.

For the purposes of paragraph 1 above, a “change in law, regulation or practice” shall mean any change in any applicable law or regulation or in the application or interpretation thereof by any court or tribunal or any governmental, tax, fiscal, monetary or other authority charged with the administration or application thereof.

This Permanent Global Note is exchangeable in part (provided, however, that if this Permanent Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg, as the case may be, so permit).

“**Exchange Date**” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located if this Permanent Global Notes is held by or on behalf of Euroclear and/or Clearstream, Luxembourg and, except in the case of exchange pursuant to paragraph (2) above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Any such exchange may be effected on or after an Exchange Date by the holder of this Permanent Global Note surrendering this Permanent Global Note or, in the case of a partial exchange, presenting it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for this Permanent Global Note, or part thereof to be exchanged, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this Permanent Global Note), security printed and substantially in the form set out in Schedule 2 to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Third Schedule hereto.

On any exchange of a part of this Permanent Global Note the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this Permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Permanent Global Note is exchanged for Definitive Notes the holder of this

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Permanent Global Note that falls due after an Exchange Date for such Notes unless, upon due presentation of this Permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this Permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made.

For the purposes of any payments made in respect of this permanent Global Note, the words “in the relevant place of presentation and” shall not apply in the definition of “**Business Day**” in Condition 7(h).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Permanent Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this Permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the

Notices required to be given in respect of the Notes represented by this Permanent Global Note may be given by their being delivered (so long as this Permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this Permanent Global Note, rather than by publication as required by the Conditions.

Negotiability

This Permanent Global Note is a bearer document and negotiable and accordingly:

- 1** is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- 2** the holder of this Permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts payable upon redemption, by way of interest or otherwise payable in respect of this Permanent Global Note and the Issuer has waived against such holder and any previous holder of this Permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Permanent Global Note; and
- 3** payment upon due presentation of this Permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this Permanent Global Note.

No provisions of this Permanent Global Note shall alter or impair the obligation of the Issuer [and the Guarantor] to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions [and the Guarantee].

This Permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this Temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this Temporary Global Note being exchanged for a Permanent Global Note, such Permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this Temporary Global Note or a Permanent Global Note may be exchangeable shall be duly executed and authenticated, shall have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this Temporary Global Note or the Permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Schedule hereto.

On any exchange of a part of this Temporary Global Note for an equivalent interest recorded in the records of the relevant Clearing Systems in a Permanent Global Note or for Definitive Notes, as the case may be, the Issuer shall procure that details of the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Temporary Global Note shall be reduced by an amount equal to such portion so exchanged.

Benefit of Conditions

Except as otherwise specified herein, this Temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Temporary Global Note is exchanged for equivalent interests in a Permanent Global Note or for Definitive Notes, as the case may be, the holder of this Temporary Global

Note shall in all respects be entitled to the same benefits as if it were the holder of the Permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such Permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this Temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, a corresponding entry being recorded in the records of the relevant Clearing Systems) a Permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this Temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this Temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. If any payment in full or in part of principal is made in respect of any Note represented by this Temporary Global Note the Issuer shall procure that details of such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed. If any other payments are made in respect of the Notes represented by this Temporary Global Note, the Issuer shall procure that a record of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems.

For the purposes of any payments made in respect of this Temporary Global Note, the words "in the relevant place of presentation and" shall not apply in the definition of "**Business Day**" in Condition 7(h).

Cancellation

On cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing systems and, upon any such entry being made, the nominal amount of the Note recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

No provision of this Temporary Global Note shall alter or impair the obligation of the Issuer [and the Guarantor] to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions [and the Guarantee].

This Temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

Interpretation and Definitions

References in this Permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part B to the Trust Deed dated 8 April 2003 (as amended and supplemented from time to time and as amended and restated pursuant to an amending and restating deed dated 13 April 2022 and as further amended or supplemented as at the Issue Date, the “**Trust Deed**”) between Legal & General Group Plc, Legal & General Finance PLC and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this Permanent Global Note (including the supplemental definitions and any modifications or additions set out in the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this Permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this Permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together, the “**relevant Clearing Systems**”) which shall be completed and/or amended as the case may be upon (i) the exchange of the whole or a part of the interests recorded in the records of the relevant Clearing Systems in the Temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a Temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this Permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this Permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

The records of the relevant Clearing Systems (which expression in this Permanent Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers’ interests in the Notes) shall be conclusive evidence of the nominal amount of the Notes represented by this Permanent Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Permanent Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Permanent Global Note, upon presentation and (when no further payment is due in respect of this Permanent Global Note) surrender of this Permanent Global Note, on the Maturity Date (or on such earlier date or, in the case of Undated Tier 2 Notes or Undated Tier 3 Notes, on such date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this Permanent Global Note and (unless this Permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This Permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided below, in part for the Definitive Notes:

- 1 at the option of the Issuer, if it would otherwise suffer a material disadvantage in respect of the tax treatment of the Notes as a result of any change in law, regulation or practice of any jurisdiction in which it is resident for tax purposes, which material disadvantage would not be suffered were this Permanent Global Note to be exchanged for Notes in definitive form, and a certificate to such effect signed by two directors or Authorised Signatories (as defined in the Trust Deed) of the Issuer is delivered to the Trustee; or
- 2 otherwise, if Euroclear or Clearstream, Luxembourg or any other permitted clearing system (an “**Alternative Clearing System**”) is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so.

For the purposes of paragraph 1 above, a “change in law, regulation or practice” shall mean any change in any applicable law or regulation or in the application or interpretation thereof by any court or tribunal or any governmental, tax, fiscal, monetary or other authority charged with the administration or application thereof.

This Permanent Global Note is exchangeable in part (provided, however, that, for so long as this Permanent Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg, as the case may be, so permit).

“**Exchange Date**” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange pursuant to paragraph (2) above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Any such exchange may be effected on or after an Exchange Date by the holder of this Permanent Global Note surrendering this Permanent Global Note or, in the case of a partial exchange, presenting it to or to the order of the Issuing and Paying Agent. In exchange for this Permanent Global Note, or part thereof to be exchanged, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes in an aggregate nominal amount equal to the nominal amount of this Permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this Permanent Global Note), security printed and substantially in the form set out in Schedule 2 to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Schedule hereto.

On any exchange of a part of this Permanent Global Note, the Issuer shall procure that the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by an amount equal to such portion so exchanged.

Benefit of Conditions

Except as otherwise specified herein, this Permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Permanent Global Note is exchanged for Definitive Notes, the holder of this Permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Permanent Global Note that falls due after an Exchange Date for such Notes unless, upon due presentation of this Permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this Permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. The Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and in the case of any payment of principal, and upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed.

For the purposes of any payments made in respect of this permanent Global Note, the words "in the relevant place of presentation and" shall not apply in the definition of "**Business Day**" in Condition 7(h).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Permanent Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purpose of any meeting of Noteholders, the holder of this Permanent Global Note shall (unless this Permanent Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

On cancellation of any Note represented by this Permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Purchase

Notes may only be purchased by the Issuer, [the Guarantor] or any of [its/their respective] Subsidiaries if they are purchased together with the right to receive all future payments of interest.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of accountholders with a Clearing System in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this Permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by the aggregate nominal amount stated in the relevant exercise notice.

Notices

Notices required to be given in respect of the Notes represented by this Permanent Global Note may be given by their being delivered (so long as this Permanent Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg and/or an Alternative Clearing System) to Euroclear, Clearstream, Luxembourg and/or such Alternative Clearing System, as the case may be, or otherwise to the holder of this Permanent Global Note, rather than by publication as required by the Conditions.

Negotiability

This Permanent Global Note is a bearer document and negotiable and accordingly:

- 1 is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- 2 the holder of this Permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts payable upon redemption, by way of interest or otherwise payable in respect of this Permanent Global Note and the Issuer has waived against such holder and any previous holder of this Permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Permanent Global Note; and
- 3 payment upon due presentation of this Permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this Permanent Global Note.

No provisions of this Permanent Global Note shall alter or impair the obligation of the Issuer [and the Guarantor] to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions [and the Guarantee].

This Permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

This Permanent Global Note, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with English law.

In witness whereof the Issuer has caused this Permanent Global Note to be duly signed on its behalf.

Schedule 2
Part B
Part I
Terms and Conditions of the Senior Notes

The Notes are constituted by a Trust Deed dated 8 April 2003 (as amended and restated pursuant to an Amending and Restating Deed dated 13 April 2022, and as amended or supplemented as at the date of issue of the Notes (the “**Issue Date**”), the “**Trust Deed**”) between Legal & General Group Plc (“**L&G**” or, in its capacity as guarantor, the “**Guarantor**”), Legal & General Finance PLC (“**L&GF**”) (each an “**Issuer**” and together the “**Issuers**”) and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Agency Agreement dated 8 April 2003 (as amended and restated pursuant to an Amending and Restating Agreement dated 25 March 2021, and as amended or supplemented as at the Issue Date, the “**Agency Agreement**”) has been entered into in relation to the Notes between L&G, L&GF, the Trustee, Citibank, N.A. as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent), the “**Registrar**”, the “**Transfer Agents**” (which expression shall include the Registrar) and the “**Calculation Agent(s)**”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the principal office of the Trustee (presently at 8th Floor, 100 Bishopsgate, London EC2N 4AG, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders and the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

1. Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”) in each case in the Specified Denomination(s) shown hereon provided that all Notes shall have a minimum Specified Denomination of €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note (which shall include a EURIBOR Linked Interest Note, SONIA Linked Interest Note or a SOFR Linked Interest Note if this Note is specified as such in the Final Terms), a Zero Coupon Note or a Fixed Rate Reset Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(b), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Transfers of Registered Notes, etc.

(a) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Registered Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(b) Exercise of Options or Partial Redemption in Respect of Registered Notes

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) Delivery of New Certificates

Each new Certificate to be issued pursuant to Conditions 2(a) or (b) shall be available for delivery within three business days of receipt of the form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery of such form of transfer or Exercise Notice and surrender of the relevant Certificate shall have been made or, at the option of the holder making such delivery and surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) Transfer Free of Charge

Transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges by the person submitting such Notes or Certificates that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) **Closed Periods**

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on (and including) the due date for redemption of that Note, (ii) during the period of 15 days ending on (and including) any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

So long as any of the Notes or Coupons remain outstanding (as defined in the Trust Deed), the Issuer will not create or permit to exist any Security Interest (as defined below) upon any of its

properties (whether now owned or hereafter acquired) to secure any of its present or future Relevant Indebtedness (as defined below) (or any guarantee or indemnity in respect thereof) without making effective provision whereby the Issuer's obligations under the Notes and the Trust Deed (a) are secured equally and rateably therewith, or (b) benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, in each case to the satisfaction of the Trustee, or (c) have the benefit of such other security, guarantee, indemnity or other arrangement as the Trustee in its reasonable opinion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

"Relevant Indebtedness" means any indebtedness for borrowed money which is in the form of, or represented or evidenced by, bonds, notes, debentures or other securities which, with the agreement of the Issuer, are quoted, listed, dealt in or traded on a stock exchange, or an over-the-counter or other recognised securities market.

5. Interest and other Calculations

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f).

(b) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon, and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for EURIBOR Linked Interest Notes

(x) Subject to Condition 5(b)(iii)(E)(x), where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined and the Reference Rate is specified as being EURIBOR, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations

(expressed as a percentage rate per annum), for the Euro inter-bank offered rate (“**EURIBOR**”) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Brussels time) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

(y) Subject to Condition 5(b)(iii)(E)(x), if the Relevant Screen Page is not available or if sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, then, subject as provided below, the Calculation Agent shall request the principal Euro-zone office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for EURIBOR at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

(z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in euro for a period equal to that which would have been used for EURIBOR by leading banks in the Euro-zone inter-bank market, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in euro for a period equal to that which would have been used for EURIBOR, or the arithmetic mean of the offered rates for deposits in euro for a period equal to that which would have been used for EURIBOR, at which, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in the Euro-zone inter-bank market, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph (z), the Rate of Interest shall be the Rate of Interest determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) Screen Rate Determination for Floating Rate Notes which are SONIA Linked Interest Notes

(x) Compounded Daily SONIA (Non-Index Determination)

Where (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, (2) the Reference Rate is specified in the applicable Final Terms as being Compounded Daily SONIA and (3) Index Determination is specified in the applicable Final Terms as being Not Applicable, the following provisions shall apply and the Rate of Interest for each Interest Accrual Period will, subject to paragraph (iii)(E)(x) below, be Compounded Daily SONIA plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

“**p**” means the number of London Business Days included in

- (1) where “Lag” is specified as the Observation Method in the applicable Final Terms, the Observation Look-back Period specified in the applicable Final Terms; or

“**SONIA Observation Period**” means, in respect of an Interest Accrual Period, the period from (and including) the date falling “p” London Business Days prior to the first day of such Interest Accrual Period (and the first Interest Accrual Period shall begin on and include the Interest Commencement Date) to (but excluding) the date falling “p” London Business Days prior to: (A) the Interest Payment Date for such Interest Accrual Period (and the last Interest Accrual Period shall end on but exclude the Maturity Date); or (B) such earlier date, if any, on which the Notes become due and payable;

“**SONIA_i**” means (unless otherwise specified in the applicable Final Terms) in respect of any London Business Day “i” falling in the relevant SONIA Observation Period, the SONIA reference rate for such London Business Day “i”; and

“**SONIA_{i-pLBD}**” means (unless otherwise specified in the applicable Final Terms) in respect of any London Business Day “i” falling in the relevant Interest Accrual Period, the SONIA reference rate for the London Business Day falling “p” London Business Days prior to such London Business Day “i”.

Fallbacks

Subject to sub-paragraph (iii)(E)(x), below, where this Condition 5(b)(iii)(C)(x) applies, if, in respect of any London Business Day in the relevant SONIA Observation Period or the relevant Interest Accrual Period, as applicable, the Calculation Agent determines that the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be: (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5.00 p.m. (or, if earlier, close of business) on the relevant London Business Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five London Business Days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads).

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to: (i) how the SONIA reference rate is to be determined; or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA reference rate for the purpose of the Notes for so long as the SONIA reference

rate is not available or has not been published by the authorised distributors. To the extent that any amendments or modifications to the Terms and Conditions or the transaction documents are required in order for the Calculation Agent to follow such guidance in order to determine the SONIA reference rate, the Calculation Agent shall have no obligation to act until such amendments or modifications have been made in accordance with the Terms and Conditions, the Trust Deed, the Agency Agreement and any calculation agency agreement or determination agency agreement.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, the Rate of Interest shall be: (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

(y) Compounded Daily SONIA (Index Determination)

Where (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, (2) the Reference Rate is specified in the applicable Final Terms as being Compounded Daily SONIA and (3) Index Determination is specified in the applicable Final Terms as being Applicable, the following provisions shall apply and the Rate of Interest for each Interest Accrual Period will, subject to paragraph (iii)(E)(x) below, be the Compounded SONIA Index Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

For the purposes of this sub-paragraph (iii)(C)(y):

“**Compounded SONIA Index Rate**” means, in relation to an Interest Accrual Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the Interest Determination Date: (a) as further specified in the applicable Final Terms; or (b) in accordance with the following formula, and the resulting percentage will be rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left(\frac{SONIA\ Index_{End}}{SONIA\ Index_{Start}} - 1 \right) \times \frac{365}{d}$$

where:

“**d**” means the number of calendar days from (and including) the day in relation to which SONIA Index_{Start} is determined to (but excluding) the day in relation to which SONIA Index_{End} is determined;

“**London Business Day**” means any day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**SONIA Index_{Start}**” means, with respect to an Interest Accrual Period, the SONIA Index determined in relation to the day falling “p” London Business Days prior to the first day of such Interest Accrual Period; and

(E) Benchmark Replacement

(x) Floating Rate Notes other than SOFR Linked Interest Notes

If: (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined; (2) the Reference Rate specified in the applicable Final Terms is not Compounded Daily SOFR; and (3) any Rate of Interest (or component thereof) remains to be determined by reference to the Reference Rate to be calculated or administered or published and a Benchmark Event has occurred then the following provisions shall apply to the relevant Notes.

(a) The Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)).

(b) Subject to sub-paragraph (E)(x)(c), if:

(i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer), no later than five Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**IA Determination Cut-off Date**”), determines an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)); or

(ii) the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (E)(x)(a) fails to determine an Alternative Reference Rate or an Adjustment Spread prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner), no later than three Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**Issuer Determination Cut-off Date**”), determines an Alternative Reference Rate and an

Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x) during any other future Interest Accrual Period(s)),

then:

- (A) such Alternative Reference Rate shall be the Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x) during any other future Interest Accrual Period(s)).

Without prejudice to the definition thereof, for the purposes of determining an Alternative Reference Rate, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate; and

- (B) such Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)) shall be applied to such Alternative Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)). Without prejudice to the definition thereof, for the purposes of determining an Adjustment Spread, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Issuer, in its sole discretion, considers appropriate.

- (c) Notwithstanding sub-paragraphs (iii)(B) and (iii)(C) above, if:

- (i) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) notifies the Issuer prior to the IA Determination Cut-off Date that it has determined that no Alternative Reference Rate exists;

- (ii) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) fails to determine an Alternative Reference Rate prior to the relevant IA Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (iii)(E)(x)(c)(i), and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Determination Cut-off Date that no Alternative Reference Rate exists; or
- (iii) no Alternative Reference Rate and/or applicable Adjustment Spread is otherwise determined in accordance with sub-paragraph (iii)(E)(x)(b) prior to the Issuer Determination Cut-off Date,

the relevant Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

This sub-paragraph (iii)(E)(x)(c) shall apply to the relevant Interest Accrual Period only. Any subsequent Interest Accrual Period(s) shall be subject to the operation of this sub-paragraph (iii)(E).

- (d) Promptly following the determination of any Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x), the Issuer shall give notice thereof and of any Adjustment Spread (and the effective date(s) thereof) and any Floating Rate Calculation Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect such waivers and

consequential amendments (the “**Floating Rate Calculation Changes**”) to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any application of this sub-paragraph (iii)(E)(x), including, but not limited to:

- (i) changes to these Terms and Conditions which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required in order to follow market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) in relation to such Alternative Reference Rate, including, but not limited to: (A) the relevant Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, and/or Interest Determination Date applicable to the Notes; and (B) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Alternative Reference Rate is not available; and
- (ii) any other changes which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the relevant Reference Rate of such Alternative Reference Rate.

Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of the Floating Rate Calculation Changes; and (ii) certifies that the Floating Rate Calculation Changes are required to give effect to any application of this sub-paragraph (iii)(E)(x), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person.

For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)).

The Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or

the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x) or such other relevant adjustments pursuant to this sub-paragraph (iii)(E)(x), or any Adjustment Spread, including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

- (C) if neither (A) nor (B) above applies, the Independent Adviser in its discretion (in consultation with the Issuer), or failing which, the Issuer in its discretion, determines (acting in good faith and in a commercially reasonable manner) to be appropriate in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of the relevant Reference Rate with such Alternative Reference Rate;

“Alternative Reference Rate” means the rate that has replaced the relevant Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in respect of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Interest Accrual Periods, or, if the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying

Agent and the Calculation Agent and acting in good faith and a commercially reasonable manner) determines that there is no such rate, such other rate as the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying Agent and the Calculation Agent and acting in good faith and in a commercially reasonable manner) determines in its or the Issuer's sole discretion is most comparable to the relevant Reference Rate;

“Benchmark Event” means:

- (A) the Reference Rate specified in the applicable Final Terms ceasing to be published for a period of at least 5 Business Days or ceasing to exist;

 - (i) the Reference Rate specified in the applicable Final Terms has ceased (or will cease, prior to the next following Interest Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Reference Rate); or
 - (ii) the Reference Rate specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) permanently or indefinitely discontinued; or
 - (iii) the Reference Rate specified in the applicable Final Terms will, prior to the next following Interest Determination Date, be prohibited from being used, either generally or in respect of the Notes; or
 - (iv) the Reference Rate specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
 - (v) there has otherwise taken place (or will otherwise take place, prior to the next following Interest

Determination Date) a change in customary market practice in the international capital markets applicable generally to floating rate notes denominated in the Specified Currency (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Reference Rate specified in the applicable Final Terms despite the continued existence of such Reference Rate; or

- (B) it is unlawful for any of the Issuing and Paying Agent and the Calculation Agent and/or the Issuer to determine or use such Reference Rate;

- (a) If the Issuer determines on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the

Reference Time in respect of any determination of the relevant Benchmark, the Benchmark Replacement will replace such Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates (subject to any subsequent application of this sub-paragraph (iii)(E)(y) with respect to such Benchmark Replacement).

- (b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer has the right to make Benchmark Replacement Conforming Changes from time to time.

- (d) Promptly following the determination of any Benchmark Replacement as described in this sub-paragraph (iii)(E)(y), the Issuer shall give notice thereof and of any Benchmark Replacement Conforming Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect any amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any Benchmark Replacement Conforming Changes.

Prior to any such amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and the Calculation Agent, which: (I) confirms that a Benchmark Transition Event has occurred, specifies the Benchmark Replacement and provides details of the Benchmark Replacement Conforming Changes (if any); and (II) certifies that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement, and the Trustee, the Issuing and Paying Agent and the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the

interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this subparagraph (iii)(E)(y)).

The Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Benchmark Replacement as described in this subparagraph (iii)(E)(y) or any Benchmark Replacement Conforming Changes pursuant to this subparagraph (iii)(E)(y), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Interest Period” or “Interest Accrual Period”, the timing and frequency of determining rates and making payments of interest, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the interest period and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary);

“Benchmark Replacement Date” means:

- (A) in the case of paragraph (A) or (B) of the definition of “Benchmark Transition Event,” the later of: (x) the date of the public statement or publication of information referenced therein; and (y) the date on which the administrator of the relevant Benchmark permanently or indefinitely ceases to provide such Benchmark, or
- (B) in the case of paragraph (C) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein; and

for the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that the administrator has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark (or such component), which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“Compounded SOFR” means, for the purposes of determining a replacement Benchmark for the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate (which, for example, may be compounded in arrears with a look-back and/or suspension period as a mechanism to determine the interest amount payable prior to the end

of each interest period or compounded in advance) being established by the Issuer in accordance with:

- (A) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; or
- (B) if, and to the extent that, the Issuer determines that Compounded SOFR cannot be determined in accordance with paragraph (A) above, the rate, or methodology for this rate, and conventions for this rate that have been selected by the Issuer giving due consideration to any industry-accepted market practice for similar U.S. dollar denominated floating rate notes at such time;

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark;

“Federal Reserve Bank of New York’s website” means the website of the Federal Reserve Bank of New York at <http://www.newyorkfed.org>, or any successor source;

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor;

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“Reference Time” with respect to any determination of the Benchmark means: (1) if the Benchmark is SOFR, 2.00 p.m. (London time) on the day that is two London Business Days preceding the date of such determination; and (2) if the Benchmark is not SOFR, the time determined by the Issuer in accordance with the Benchmark Replacement Conforming Changes;

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto;

administrator) on the Federal Reserve Bank of New York's website; and

“**Unadjusted Benchmark Replacement**” means the Benchmark Replacement excluding the applicable Benchmark Replacement Adjustment.

(F) **Linear Interpolation**

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period, provided however, that, if there is no such rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“**Applicable Maturity**” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)).

(d) **Fixed Rate Reset Notes**

(i) **Accrual of interest**

Each Fixed Rate Reset Note bears interest on its outstanding principal amount:

(A) in respect of the period from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Interest Commencement Date), at the rate per annum equal to the Initial Rate of Interest; and

(B) in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period), at such rate per annum as is equal to the relevant Subsequent Reset Rate, as determined by the Calculation Agent on the relevant Reset Determination Date in accordance with this Condition,

payable, in each case, in arrear on the relevant Interest Payment Date(s).

(ii) **Subsequent Reset Rate Screen Page**

If the Subsequent Reset Rate Screen Page is not available or if the Mid-Swap Rate does not appear on the Subsequent Reset Rate Screen Page, (other than in the circumstances provided for in Condition 5(d)(iv)) the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Subsequent Reset Reference Rate at approximately the Subsequent Reset Rate Time on the Reset Determination Date in question. If two or more of the Reference Banks

provide the Calculation Agent with offered quotations, the Subsequent Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the applicable Initial Credit Spread and Step-Up Margin (if any), all as determined by the Calculation Agent. If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the foregoing provisions of this paragraph, the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest.

(iii) CMT Screen Page

If the CMT Screen Page is not available or if the CMT Rate cannot be determined in accordance with limbs (i) or (ii) of the definition of “CMT Rate” in Condition 5(i), the Subsequent Reset Reference Rate shall be determined in accordance with limb (iii) of the definition of “CMT Rate” in Condition 5(i).

(iv) Mid-Swap Rate Replacement

(A) If any Rate of Interest (or component thereof) remains to be determined by reference to the Mid-Swap Rate where a Mid-Swap Benchmark Rate is specified and a Benchmark Event has occurred in respect of either the Mid-Swap Rate or the Mid-Swap Benchmark Rate then the following provisions shall apply to the relevant Notes:

- (a) the Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Relevant Rate and such other adjustments (if any) as referred to in this Condition 5(d)(iv)(A) for the purposes of determining the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 5(d)(iv)(A) during any other future Reset Period(s)).
- (b) Subject to paragraph (c) of this Condition 5(d)(iv)(A), if:
 - (i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer) determines no later than five Business Days prior to the Reset Determination Date relating to the next Reset Period (the “**IA Mid-Swap Determination Cut-off Date**”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for setting rates comparable to the Mid-Swap Rate; or
 - (ii) the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 5(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, the Issuer determines (acting in good faith and in a commercially reasonable manner) no later than three Business Days prior to the relevant Reset Determination Date relating to the next Reset Period (the “**Issuer Mid-Swap Determination Cut-off Date**”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt

capital markets for setting rates which is comparable to the Mid-Swap Rate,

then the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 5(d)(iv)(A) during any other future Reset Period(s)) shall be such Alternative Relevant Rate.

Without prejudice to the definition thereof, for the purposes of determining an Alternative Relevant Rate and/or applicable adjustments thereto (if any), the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate.

- (c) Notwithstanding Condition 5(d)(ii), if:
- (i) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 5(d)(iv)(A) notifies the Issuer prior to the IA Mid-Swap Determination Cut-off Date that it has determined that no Alternative Relevant Rate exists;
 - (ii) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 5(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (c)(i) of this Condition 5(d)(iv)(A) and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Mid-Swap Determination Cut-off Date that no Alternative Relevant Rate exists; or
 - (iii) an Alternative Relevant Rate is not otherwise determined in accordance with paragraph (b) of this Condition 5(d)(iv)(A) prior to the Issuer Mid-Swap Determination Cut-off Date,

the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest (though applying, where a Step-up Margin is to be applied to the relevant Reset Period, the Step-up Margin relating to the relevant Reset Period in place of the Step-up Margin (if any) relating to that last preceding Reset Period).

This paragraph (c) shall apply to the relevant Reset Period only. Any subsequent Reset Period(s) shall be subject to the operation of this Condition 5(d)(iv)(A).

- (d) Promptly following the determination of any Alternative Relevant Rate as described in this Condition 5(d)(iv)(A), the Issuer shall give notice thereof and of any adjustments (and the effective date(s) thereof) pursuant to this Condition 5(d)(iv)(A) to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders.

The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and, where applicable, the Calculation Agent), effect such waivers and consequential amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required to give effect to any application of this Condition 5(d)(iv)(A). Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of such waivers and/or consequential amendments; and (ii) certifies that such waivers and/or consequential amendments are required to give effect to any application of this Condition 5(d)(iv)(A), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Reset Periods (subject to the subsequent operation of this Condition 5(d)(iv)(A)). No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Relevant Rate as described in this Condition 5(d)(iv)(A) or such other relevant adjustments pursuant to this Condition 5(d)(iv)(A), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding the foregoing, the Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

(B) For the purposes of this Condition 5(d):

“**Alternative Relevant Rate**” means the mid-swap rate which has replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for the purposes of pricing new issues of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Reset Period, or, if the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines that there is no such rate, such other rate as such Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines in its discretion is most comparable to the Mid-Swap Rate;

“**Benchmark Event**” means:

(a) the Mid-Swap Rate or the relevant component part(s) thereof or Mid-Swap Benchmark Rate specified in the applicable Final Terms (as applicable) ceasing to be published for a period of at least 5 Business Days or ceasing to exist;

- (b) the Issuer determines (in consultation with the Calculation Agent and the Issuing and Paying Agent) on the basis of factors including, but not limited to, a public statement by the administrator or the supervisor of the administrator of the applicable Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable), that:
- (i) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has ceased (or will cease, prior to the next following Reset Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable)); or
 - (ii) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) be permanently or indefinitely discontinued; or
 - (iii) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms will, prior to the next following Interest Determination Date, be prohibited from being used, either generally or in respect of the Notes; or
 - (iv) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
 - (v) there has otherwise taken place (or will otherwise take place, prior to the next following Reset Determination Date) a change in customary market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms despite the continued existence of such Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable); or
- (c) it is unlawful for any of the Issuing and Paying Agent, the Calculation Agent and/or the Issuer to determine or use such Mid-Swap Rate or Mid-Swap Benchmark Rate; and

“**Independent Adviser**” means an independent financial institution of international repute or other independent financial adviser experienced in the international debt capital markets, in each case appointed by the Issuer at the Issuer’s expense.

(e) **Accrual of Interest**

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall

continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(f) **Margin, Maximum/Minimum Rates of Interest, Redemption Amounts and Rounding**

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(g) **Calculations**

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

Where the Specified Denomination of a Note comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(h) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts**

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, Reset Determination Date or at such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to

make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition 5(h) but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) **Definitions**

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

- (iii) in the case of a currency and/or one or more Additional Business Centres, a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Additional Business Centre(s) or, if no currency is indicated, generally in each of the Additional Business Centres; and
- (iv) where the relevant Final Terms specify that the Reference Rate is **“Compounded Daily SOFR”** or **“Weighted Average SOFR”**, a U.S. Government Securities Business Day and a New York City Banking Day.

“CMT Designated Maturity” has the meaning specified hereon.

“CMT First Reset Period Fallback” has the meaning specified hereon.

“CMT Rate” means, in relation to a Reset Period and the Reset Determination Date in relation to such Reset Period, the rate determined by the Calculation Agent, and expressed as a percentage, equal to:

- (i) the yield for United States Treasury Securities at **“constant maturity”** for the CMT Designated Maturity, as published in the H.15(519) under the caption **“treasury constant maturities (nominal)”**, as that yield is displayed on the CMT Rate Screen Page on such Reset Determination Date; or
- (ii) if the yield referred to in paragraph (i) above is not published by 4:00 p.m. (New York City time) on the CMT Rate Screen Page on such Reset Determination Date, the yield for the United States Treasury Securities at **“constant maturity”** for the CMT Designated Maturity, as published in the H.15(519) under the caption **“treasury constant maturities (nominal)”** on such Reset Determination Date; or

“**CMT Rate Screen Page**” has the meaning specified hereon or any successor service or such other page as may replace that page on that service for the purpose of displaying “**treasury constant maturities**” as reported in H.15(519).

“**CMT Reset Reference Bank Rate**” means the percentage rate determined by the Calculation Agent on the basis of the Reset United States Treasury Securities Quotations provided by the Reference Banks to the Calculation Agent at or around 4:30 p.m. (New York City time) on the relevant Reset Determination Date and rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards). If at least four quotations are provided, the CMT Reset Reference Bank Rate will be the rounded arithmetic mean of the quotations provided, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest). If only two or three quotations are provided, the CMT Reset Reference Bank Rate will be the rounded arithmetic mean of the quotations provided. If only one quotation is provided, the CMT Reset Reference Bank Rate will be the rounded quotation provided. If no quotations are provided, the CMT Reset Reference Bank Rate will be (i) in the case of each Reset Period other than the Reset Period commencing on the first Reset Date, the relevant CMT Rate in respect of the immediately preceding Reset Period or (ii) in the case of the Reset Period commencing on the first Reset Date, an amount specified hereon as the “CMT First Reset Period Fallback”.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or Interest Accrual Period, the “**Calculation Period**”):

- (i) if “**Actual/Actual**” or “**Actual/Actual - ISDA**” is specified hereon, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);

- (v) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

6. Redemption, Purchase and Options

Unless previously redeemed or purchased and cancelled as provided in this Condition 6, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions.

- (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled

Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue from (and including) the Maturity Date to (but excluding) the date of redemption in accordance with Condition 5(c).

- (ii) the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making payments itself would be required to pay such additional amounts]⁶,

the Issuer may, at its option, having given not less than 30 or more than 60 days' notice (a "**Tax Redemption Notice**") to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) at their Early Redemption Amount together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Trustee (1) a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the Issuer [or, as the case may be, the Guarantor]¹ has become, is or would be so required to pay additional amounts, and (2) an opinion in form and substance reasonably satisfactory to the Trustee of independent legal advisers of recognised standing to that effect. The Trustee shall, without enquiring and without any liability therefor, accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above and it shall be conclusive and binding on the Noteholders and the Couponholders.

(d) **Redemption at the Option of the Issuer**

If Call Option is specified hereon, the Issuer may, on giving not less than the minimum period nor more than the maximum period (as specified in the applicable Final Terms) of irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to (but excluding) the date fixed for redemption in accordance with these Conditions. Any such redemption must relate to Notes of an aggregate nominal amount at least equal to the Minimum Redemption Amount specified hereon and no greater than the Maximum Redemption Amount specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 6.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

To exercise such option, the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice (“**Exercise Notice**”) in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. (d) **Payments Subject to Fiscal Laws**

Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. A report as to the solvency of the Issuer signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer or, if there is a winding-up or

administration of the Issuer, the liquidator or, as the case may be, the administrator of the Issuer shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the holders of the Notes and the Coupons relating to them and all other interested parties as correct and sufficient evidence thereof and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for doing so. In a winding-up of the Issuer (except in the case of a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business, the terms of which reconstruction or amalgamation or substitution (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders and (ii) do not provide that the Notes shall thereby become payable) or in an administration of the Issuer if the administrator has given notice of his intention to declare and distribute a dividend, the amount payable in respect of the Notes and the Coupons relating to them shall be an amount equal to the principal amount of such Notes, together with Arrears of Interest, if any, and any interest (other than Arrears of Interest) which has accrued up to, but excluding, the date of repayment and (to the extent not otherwise included within the foregoing) any other amount under or arising from the Notes. Payment of such amount will be subordinated in the manner described in Condition 3(a).

Without prejudice to any other provision in these Conditions, amounts representing any payments of principal, premium or interest or any other amount including any damages awarded for breach of any obligations in respect of which the conditions referred to in this Condition 3(b) are not satisfied on the date upon which the same would otherwise be due and payable (“**Solvency Claims**”) will be payable by the Issuer in a winding-up or any applicable administration of the Issuer as provided in Condition 3(a). A Solvency Claim shall not itself bear interest.

(c) **Set-off, etc.**

Subject to applicable law, no holder of the Notes or the Coupons relating to them may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Notes or the Coupons relating to them and each holder shall, by virtue of being the holder of any Note or Coupon, as the case may be, be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the preceding sentence, if any of the amounts owing to any holder of the Notes or the Coupons relating to them by the Issuer in respect of, or arising under or in connection with, the Notes or the Coupons relating to them is discharged by set-off, such holder shall, unless such payment is prohibited by applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of its winding-up or administration, the liquidator or administrator, as appropriate, of the Issuer for payment to the Senior Creditors in respect of amounts owing to them by the Issuer and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer, or the liquidator or administrator, as appropriate, of the Issuer for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and accordingly any such discharge shall be deemed not to have taken place. The perpetuity period for each trust created pursuant to this Condition 3(c) shall be 125 years from the date such trust becomes constituted.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the Noteholders after the claims of the parties ranking senior to the Noteholders (as provided in Condition 3 above) have been satisfied.

End Date specified hereon at the rate per annum (expressed as a percentage) equal to the Rate of Interest,

such interest being payable in arrear on each Interest Payment Date (in the case of a Fixed Rate Note) and on each Interest Payment Date until (and including) the Fixed Rate End Date specified hereon (in the case of a Fixed to Floating Rate Note). The amount of interest payable shall be determined in accordance with Condition 4(e).

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each such subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes and (from the Fixed Rate End Date) for Fixed to Floating Rate Notes

The Rate of Interest in respect of (A) Floating Rate Notes and (B) from (and including) the Fixed Rate End Date, Fixed to Floating Rate Notes, for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for EURIBOR Linked Interest Notes

- (x) Subject to Condition 4(b)(iii)(E)(x), where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined and the Reference Rate is specified as being EURIBOR, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations

(expressed as a percentage rate per annum), for the Euro inter-bank offered rate (“EURIBOR”) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Brussels time) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (y) Subject to Condition 4(b)(iii)(E)(x), if the Relevant Screen Page is not available or if sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, then, subject as provided below, the Calculation Agent shall request the principal Euro-zone office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for EURIBOR at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

(z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in euro for a period equal to that which would have been used for EURIBOR by leading banks in the Euro-zone inter-bank market, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in euro for a period equal to that which would have been used for EURIBOR, or the arithmetic mean of the offered rates for deposits in euro for a period equal to that which would have been used for EURIBOR, at which, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in the Euro-zone inter-bank market, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph (z), the Rate of Interest shall be the Rate of Interest determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) Screen Rate Determination for Floating Rate Notes which are SONIA Linked Interest Notes

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to: (i) how the SONIA reference rate is to be determined; or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA reference rate for the purpose of the Notes for so long as the SONIA reference

rate is not available or has not been published by the authorised distributors. To the extent that any amendments or modifications to the Terms and Conditions or the transaction documents are required in order for the Calculation Agent to follow such guidance in order to determine the SONIA reference rate, the Calculation Agent shall have no obligation to act until such amendments or modifications have been made in accordance with the Terms and Conditions, the Trust Deed, the Agency Agreement and any calculation agency agreement or determination agency agreement.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, the Rate of Interest shall be: (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

“**SOFR Determination Time**” has the meaning set out in sub-paragraph (b)(iii)(D)(x) above;

“**SOFR Index**” means, with respect to any U.S. Government Securities Business Day:

- (1) the SOFR index value as published by the SOFR Administrator as such index appears on the SOFR Administrator’s Website at the SOFR Determination Time on such U.S. Government Securities Business Day; provided that
- (2) if a SOFR Index value does not so appear as specified in (1) above at the SOFR Determination Time on such U.S. Government Securities Business Day, then:

- (a) if a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to SOFR, the Compounded SOFR Index Rate for the applicable Interest Accrual Period for which the SOFR Index is not available shall be “Compounded Daily SOFR” determined in accordance with Condition 4(b)(iii)(D)(x) above and as if Index Determination were specified in the applicable Final Terms as being “Not Applicable”, and for these purposes: (i) the “Observation Method” shall be deemed to be “Shift”; and (ii) the “Observation Look-back Period” shall be deemed to be equal to “p” U.S. Government Securities Business Days, as if those alternative elections had been made in the applicable Final Terms; or
- (b) if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred in respect of SOFR, then the Benchmark Transition Provisions shall apply for the purposes of the determination of the Compounded SOFR Index Rate;

“**SOFR Index_{Start}**” means, with respect to an Interest Accrual Period, the SOFR Index determined in relation to the day falling “p” U.S. Government Securities Business Days prior to the first day of such Interest Accrual Period;

“**SOFR Index_{End}**” means, with respect to an Interest Accrual Period, the SOFR Index determined in relation to the day falling “p” U.S. Government Securities Business Days prior to: (1) the Interest Payment Date for such Interest Accrual Period; or (2) such earlier date, if any, on which the Notes become due and payable; and

“**U.S. Government Securities Business Day**” means any day except for a Saturday, Sunday or a day on which the Securities Industry and Financial Markets Association (or any successor thereto) recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

(z) General

If any Notes in respect of which “Compounded Daily SOFR” is specified as the Reference Rate in the applicable Final Terms become due and payable in accordance with Condition 10, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purposes of such interest determination) the relevant Interest Accrual Period had been shortened accordingly.

For the avoidance of doubt, if, as at any relevant SOFR Determination Time: (1) the relevant SOFR reference rate or the SOFR Index (as the case may be) is not published or displayed on the SOFR Administrator’s Website by the SOFR Administrator; and (2) a Benchmark Transition Event and its

related Benchmark Replacement Date have occurred with respect to SOFR, the SOFR reference rate, the Compounded Daily SOFR Rate or the Compounded SOFR Index Rate (as the case may be) will be determined in accordance with the Benchmark Transition Provisions.

(E) Benchmark Replacement

(x) Floating Rate Notes other than SOFR Linked Interest Notes

If: (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined; (2) the Reference Rate specified in the applicable Final Terms is not Compounded Daily SOFR; and (3) any Rate of Interest (or component thereof) remains to be determined by reference to the Reference Rate to be calculated or administered or published and a Benchmark Event has occurred then the following provisions shall apply to the relevant Notes.

(a) The Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)).

(b) Subject to sub-paragraph (E)(x)(c), if:

(i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer), no later than five Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**IA Determination Cut-off Date**”), determines an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)); or

(ii) the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (E)(x)(a) fails to determine an Alternative Reference Rate or an Adjustment Spread prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner), no later than three Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**Issuer Determination Cut-off Date**”), determines an Alternative Reference Rate and an

Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x) during any other future Interest Accrual Period(s)),

then:

- (A) such Alternative Reference Rate shall be the Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x) during any other future Interest Accrual Period(s)).

Without prejudice to the definition thereof, for the purposes of determining an Alternative Reference Rate, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate; and

- (B) such Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)) shall be applied to such Alternative Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)). Without prejudice to the definition thereof, for the purposes of determining an Adjustment Spread, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Issuer, in its sole discretion, considers appropriate.

- (c) Notwithstanding sub-paragraphs (iii)(B) and (iii)(C) above, if:

- (i) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) notifies the Issuer prior to the IA Determination Cut-off Date that it has determined that no Alternative Reference Rate exists;

- (ii) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) fails to determine an Alternative Reference Rate prior to the relevant IA Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (iii)(E)(x)(c)(i), and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Determination Cut-off Date that no Alternative Reference Rate exists; or
- (iii) no Alternative Reference Rate and/or applicable Adjustment Spread is otherwise determined in accordance with sub-paragraph (iii)(E)(x)(b) prior to the Issuer Determination Cut-off Date,

the relevant Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

This sub-paragraph (iii)(E)(x)(c) shall apply to the relevant Interest Accrual Period only. Any subsequent Interest Accrual Period(s) shall be subject to the operation of this sub-paragraph (iii)(E).

- (d) Promptly following the determination of any Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x), the Issuer shall give notice thereof and of any Adjustment Spread (and the effective date(s) thereof) and any Floating Rate Calculation Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect such waivers and

consequential amendments (the “**Floating Rate Calculation Changes**”) to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any application of this sub-paragraph (iii)(E)(x), including, but not limited to:

- (i) changes to these Terms and Conditions which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required in order to follow market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) in relation to such Alternative Reference Rate, including, but not limited to: (A) the relevant Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, and/or Interest Determination Date applicable to the Notes; and (B) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Alternative Reference Rate is not available; and
- (ii) any other changes which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the relevant Reference Rate of such Alternative Reference Rate.

Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of the Floating Rate Calculation Changes; and (ii) certifies that the Floating Rate Calculation Changes are required to give effect to any application of this sub-paragraph (iii)(E)(x), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person.

For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)).

The Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or

the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x) or such other relevant adjustments pursuant to this sub-paragraph (iii)(E)(x), or any Adjustment Spread, including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding any other provision of this sub-paragraph (iii)(E)(x) no Alternative Reference Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this sub-paragraph (iii)(E)(x), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 3 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(f) For the purposes of this sub-paragraph (iii)(E)(x):

“**Adjustment Spread**” means a spread (which may be positive, negative or zero) or formula or methodology for calculating a spread, which is required to be applied to an Alternative Reference Rate and is the spread, formula or methodology which:

- (A) is formally recommended in relation to the replacement of the Reference Rate specified in the applicable Final Terms with such Alternative Reference Rate by any Relevant Nominating Body; or,
- (B) if no such formal recommendation has been made, the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer, determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the relevant Reference Rate, where such rate has been replaced by such Alternative Reference Rate; or
- (C) if neither (A) nor (B) above applies, the Independent Adviser in its discretion (in consultation with the Issuer), or failing which, the Issuer in its discretion, determines (acting in good faith and in a commercially reasonable manner) to be appropriate in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of the relevant Reference Rate with such Alternative Reference Rate;

“Alternative Reference Rate” means the rate that has replaced the relevant Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in respect of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Interest Accrual Periods, or, if the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying Agent and the Calculation Agent and acting in good faith and a commercially reasonable manner) determines that there is no such rate, such other rate as the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying Agent and the Calculation Agent and acting in good faith and in a commercially reasonable manner) determines in its or the Issuer’s sole discretion is most comparable to the relevant Reference Rate;

“Benchmark Event” means:

- (A) the Reference Rate specified in the applicable Final Terms ceasing to be published for a period of at least 5 Business Days or ceasing to exist;
- (B) the Issuer determines (in consultation with the Issuing and Paying Agent and the Calculation Agent) on the basis of factors including, but not limited to, a public statement by the administrator or the supervisor of the administrator of the Reference Rate specified in the applicable Final Terms, that:
 - (i) the Reference Rate specified in the applicable Final Terms has ceased (or will cease, prior to the next following Interest Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Reference Rate); or
 - (ii) the Reference Rate specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) permanently or indefinitely discontinued; or
 - (iii) the Reference Rate specified in the applicable Final Terms will, prior to the next following Interest Determination Date, be prohibited from being used, either generally or in respect of the Notes; or

- (iv) the Reference Rate specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
- (v) there has otherwise taken place (or will otherwise take place, prior to the next following Interest Determination Date) a change in customary market practice in the international capital markets applicable generally to floating rate notes denominated in the Specified Currency (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Reference Rate specified in the applicable Final Terms despite the continued existence of such Reference Rate; or

(B) it is unlawful for any of the Issuing and Paying Agent and the Calculation Agent and/or the Issuer to determine or use such Reference Rate;

“Independent Adviser” means an independent financial institution of international repute or other independent financial adviser experienced in the international debt capital markets, in each case appointed by the Issuer at the Issuer’s expense; and

“Relevant Nominating Body” means, in respect of the Reference Rate specified in the applicable Final Terms:

- (A) the central bank for the currency to which such Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of such Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of: (a) the central bank for the currency to which such Reference Rate relates; (b) any central bank or other supervisory authority which is responsible for supervising the administrator of such Reference Rate; (c) a group of the aforementioned central banks or other supervisory authorities; or (d) the Financial Stability Board or any part thereof.

(y) SOFR Linked Interest Notes

If: (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to

be determined; (2) the Reference Rate specified in the applicable Final Terms is Compounded Daily SOFR; and (3) any Rate of Interest (or component thereof) remains to be determined by reference to the relevant Benchmark, then the following provisions shall apply instead of the provisions of sub-paragraph (iii)(E)(x) above.

- (a) If the Issuer determines on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the relevant Benchmark, the Benchmark Replacement will replace such Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates (subject to any subsequent application of this sub-paragraph (iii)(E)(y) with respect to such Benchmark Replacement).
- (b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer has the right to make Benchmark Replacement Conforming Changes from time to time.
- (c) Any determination, decision or election that may be made by the Issuer pursuant to this sub-paragraph (iii)(E)(y), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection will be conclusive and binding absent manifest error, and may be made in the Issuer's sole discretion.
- (d) Promptly following the determination of any Benchmark Replacement as described in this sub-paragraph (iii)(E)(y), the Issuer shall give notice thereof and of any Benchmark Replacement Conforming Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect any amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any Benchmark Replacement Conforming Changes.

Prior to any such amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and the Calculation Agent, which: (I) confirms that a Benchmark Transition Event has occurred, specifies the Benchmark Replacement and provides details of the Benchmark Replacement Conforming Changes

(if any); and (II) certifies that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement, and the Trustee, the Issuing and Paying Agent and the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(y)).

The Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Benchmark Replacement as described in this sub-paragraph (iii)(E)(y) or any Benchmark Replacement Conforming Changes pursuant to this sub-paragraph (iii)(E)(y), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding any other provision of this sub-paragraph (iii)(E)(y) no Benchmark Replacement will be adopted, and no other Benchmark Replacement Conforming Changes will be made pursuant to this sub-paragraph (iii)(E)(y), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected: (A) to prejudice the qualification of the Notes as Tier 3 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(f) For the purposes of this sub-paragraph (iii)(E)(y):

“**Benchmark**” means, initially, SOFR, as originally specified for the purposes of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR or any Benchmark which has replaced it in accordance with this sub-paragraph (iii)(E)(y), then “**Benchmark**” means the applicable Benchmark Replacement;

“**Benchmark Replacement**” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (A) the sum of: (I) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor; and (II) the Benchmark Replacement Adjustment;
- (B) the sum of: (I) the ISDA Fallback Rate; and (II) the Benchmark Replacement Adjustment; or
- (C) the sum of: (I) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time; and (II) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (A) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (B) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Interest Period” or “Interest Accrual Period”, the timing and frequency of determining rates and making payments of interest, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the interest period and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark

Replacement in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary);

“Benchmark Replacement Date” means:

- (A) in the case of paragraph (A) or (B) of the definition of “Benchmark Transition Event,” the later of: (x) the date of the public statement or publication of information referenced therein; and (y) the date on which the administrator of the relevant Benchmark permanently or indefinitely ceases to provide such Benchmark, or
- (B) in the case of paragraph (C) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein; and

for the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that the administrator has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark (or such component), which states that the administrator of the Benchmark (or such

component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or

- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“Compounded SOFR” means, for the purposes of determining a replacement Benchmark for the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate (which, for example, may be compounded in arrears with a look-back and/or suspension period as a mechanism to determine the interest amount payable prior to the end of each interest period or compounded in advance) being established by the Issuer in accordance with:

- (A) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; or
- (B) if, and to the extent that, the Issuer determines that Compounded SOFR cannot be determined in accordance with paragraph (A) above, the rate, or methodology for this rate, and conventions for this rate that have been selected by the Issuer giving due consideration to any industry-accepted market practice for similar U.S. dollar denominated floating rate notes at such time;

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark;

“Federal Reserve Bank of New York’s website” means the website of the Federal Reserve Bank of New York at <http://www.newyorkfed.org>, or any successor source;

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor;

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the

Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“**Reference Time**” with respect to any determination of the Benchmark means: (1) if the Benchmark is SOFR, 2.00 p.m. (London time) on the day that is two London Business Days preceding the date of such determination; and (2) if the Benchmark is not SOFR, the time determined by the Issuer in accordance with the Benchmark Replacement Conforming Changes;

“**Relevant Governmental Body**” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto;

“**SOFR**” with respect to any day means the secured overnight financing rate published for such day by the Federal Reserve Bank of New York, as the administrator of the Benchmark, (or a successor administrator) on the Federal Reserve Bank of New York’s website; and

“**Unadjusted Benchmark Replacement**” means the Benchmark Replacement excluding the applicable Benchmark Replacement Adjustment.

(F) **Linear Interpolation**

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period, provided however, that, if there is no such rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Applicable Maturity” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note is repayable prior to the Maturity Date and is not paid when due, the amount due and payable, subject to Condition 5, prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)).

(d) **Fixed Rate Reset Notes**

(i) **Accrual of interest**

Subject to Conditions 3(b) and 5, each Fixed Rate Reset Note bears interest on its outstanding principal amount:

- (A) in respect of the period from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Interest Commencement Date), at the rate per annum equal to the Initial Rate of Interest; and
- (B) in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period), at such rate per annum as is equal to the relevant Subsequent Reset Rate, as determined by the Calculation Agent on the relevant Reset Determination Date in accordance with this Condition,

payable, in each case, in arrear on the relevant Interest Payment Date(s).

(ii) **Subsequent Reset Rate Screen Page**

If the Subsequent Reset Rate Screen Page is not available or if the Mid-Swap Rate does not appear on the Subsequent Reset Rate Screen Page, (other than in the circumstances provided for in Condition 4(d)(iv)) the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Subsequent Reset Reference Rate at approximately the Subsequent Reset Rate Time on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Subsequent Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the applicable Initial Credit Spread and Step-Up Margin (if any), all as determined by the Calculation Agent. If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the foregoing provisions of this paragraph, the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest.

(iii) **CMT Screen Page**

If the CMT Screen Page is not available or if the CMT Rate cannot be determined in accordance with limbs (i) or (ii) of the definition of “CMT Rate” in Condition 4(h), the Subsequent Reset Reference Rate shall be determined in accordance with limb (iii) of the definition of “CMT Rate” in Condition 4(h).

(iv) **Mid-Swap Rate Replacement**

- (A) If any Rate of Interest (or component thereof) remains to be determined by reference to the Mid-Swap Rate where a Mid-Swap Benchmark Rate is specified and a Benchmark Event has occurred in respect of either the Mid-Swap Rate or the Mid-Swap Benchmark Rate then the following provisions shall apply to the relevant Notes:
 - (a) the Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Relevant Rate and such other adjustments (if any) as referred to in this Condition 4(d)(iv)(A) for the purposes of determining the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A) during any other future Reset Period(s)).
 - (b) Subject to paragraph (c) of this Condition 4(d)(iv)(A), if:
 - (i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer) determines no later than five Business Days prior to the Reset Determination Date relating to the next Reset Period (the “**IA Mid-Swap**”

Determination Cut-off Date”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for setting rates comparable to the Mid-Swap Rate; or

- (ii) the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, the Issuer determines (acting in good faith and in a commercially reasonable manner) no later than three Business Days prior to the relevant Reset Determination Date relating to the next Reset Period (the “**Issuer Mid-Swap Determination Cut-off Date**”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for setting rates which is comparable to the Mid-Swap Rate,

then the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A) during any other future Reset Period(s)) shall be such Alternative Relevant Rate.

Without prejudice to the definition thereof, for the purposes of determining an Alternative Relevant Rate and/or applicable adjustments thereto (if any), the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate.

- (c) Notwithstanding Condition 4(d)(ii), if:
 - (i) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) notifies the Issuer prior to the IA Mid-Swap Determination Cut-off Date that it has determined that no Alternative Relevant Rate exists;
 - (ii) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (c)(i) of this Condition 4(d)(iv)(A) and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Mid-Swap Determination Cut-off Date that no Alternative Relevant Rate exists; or
 - (iii) an Alternative Relevant Rate is not otherwise determined in accordance with paragraph (b) of this Condition 4(d)(iv)(A) prior to the Issuer Mid-Swap Determination Cut-off Date,

the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest (though applying, where a Step-up Margin is to be applied to the relevant Reset Period, the Step-up Margin relating to the relevant Reset Period in place of the Step-up Margin (if any) relating to that last preceding Reset Period).

This paragraph (c) shall apply to the relevant Reset Period only. Any subsequent Reset Period(s) shall be subject to the operation of this Condition 4(d)(iv)(A).

- (d) Promptly following the determination of any Alternative Relevant Rate as described in this Condition 4(d)(iv)(A), the Issuer shall give notice thereof and of any adjustments (and the effective date(s) thereof) pursuant to this Condition 4(d)(iv)(A) to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders.

The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and, where applicable, the Calculation Agent), effect such waivers and consequential amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required to give effect to any application of this Condition 4(d)(iv)(A). Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of such waivers and/or consequential amendments; and (ii) certifies that such waivers and/or consequential amendments are required to give effect to any application of this Condition 4(d)(iv)(A), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A)). No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Relevant Rate as described in this Condition 4(d)(iv)(A) or such other relevant adjustments pursuant to this Condition 4(d)(iv)(A), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding the foregoing, the Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions

afforded to the Trustee in these Terms and Conditions or the Trust Deed.

Notwithstanding any other provision of this Condition 4(d)(iv)(A) no Alternative Relevant Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 4(d)(iv)(A), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected: (A) to prejudice the qualification of the Notes as Tier 3 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(B) For the purposes of this Condition 4(d):

“Alternative Relevant Rate” means the mid-swap rate which has replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for the purposes of pricing new issues of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Reset Period, or, if the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines that there is no such rate, such other rate as such Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines in its discretion is most comparable to the Mid-Swap Rate;

 - (i) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has ceased (or will cease, prior to the next following Reset Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable)); or
 - (ii) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) be permanently or indefinitely discontinued; or

- (iv) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
- (v) there has otherwise taken place (or will otherwise take place, prior to the next following Reset Determination Date) a change in customary market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms despite the continued existence of such Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable); or
- (c) it is unlawful for any of the Issuing and Paying Agent, the Calculation Agent and/or the Issuer to determine or use such Mid-Swap Rate or Mid-Swap Benchmark Rate; and

- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(f) **Calculations**

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount

(or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

Where the Specified Denomination of a Note comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(g) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Special Redemption Prices**

Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable as a result of any action taken by the Trustee, the Noteholders or Couponholders to institute winding-up proceedings in respect of the Issuer in accordance with Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition 4(g) but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

“**Subsequent Reset Rate Time**” has the meaning specified hereon.

“**Subsequent Reset Reference Rate**” means either:

- (i) if “**Mid-Swaps**” is specified hereon, subject to Condition 4(d)(iv), the Mid-Swap Rate displayed on the Subsequent Reset Rate Screen Page at or around the Subsequent Reset Rate Time on the relevant Reset Determination Date for such Reset Period; or
- (ii) if “**Reference Bond**” is specified hereon, the annual yield to maturity or interpolated yield to maturity (on the relevant day count basis) of the relevant Reference Bond, assuming a price for such Reference Bond (expressed as a percentage of its nominal amount) equal to the relevant Reference Bond Price; or
- (iii) if “**CMT**” is specified hereon, the CMT Rate.

“**TARGET System**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) System which was launched on 19 November 2007 or any successor thereto.

“**U.S. dollars**” means the lawful currency of the United States of America.

(i) **Calculation Agent**

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them hereon and for so long as any Note is outstanding (as defined in the Trust Deed). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under these Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount, Special Redemption Price or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall (with the prior approval of the Trustee) appoint a leading bank or financial institution engaged in the inter-bank market (or, if appropriate, money, swap or over-the counter index options market) that is closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

5. Deferral of Payments

(a) Optional Deferral of Interest

If Optional Interest Payment Date is specified hereon, the Issuer may in respect of any Optional Interest Payment Date, by notice to the Noteholders and the Trustee pursuant to Condition 5(d) below, elect to defer payment of all (but not some only) of the interest accrued to that date on the Notes which would otherwise be payable on such date.

Notwithstanding any other provision in these Conditions or in the Trust Deed, the deferral of any interest payment on any Optional Interest Payment Date in accordance with this Condition 5(a) or in accordance with Condition 3(b) will not constitute a default by the Issuer for any purpose under these Conditions and will not give Noteholders, Couponholders or the Trustee any right to accelerate any payment.

The Issuer may (if Optional Interest Payment Date is specified hereon) defer paying interest on each Optional Interest Payment Date until the earlier of the Maturity Date (if a Maturity Date is specified hereon) or any date on which the Notes are redeemed in full pursuant to these Conditions.

(b) Mandatory Deferral of Interest

Payment of interest on the Notes will be mandatorily deferred on each Mandatory Interest Deferral Date. The Issuer shall notify the Noteholders and the Trustee of any Mandatory Interest Deferral Date in accordance with Condition 5(d).

A certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer confirming that (a) a Regulatory Deficiency Interest Deferral Event has occurred and is continuing, or would occur if payment of interest on the Notes were to be made (whether in whole or in part) or (b) a Regulatory Deficiency Interest Deferral Event has ceased to occur and/or payment of interest on the Notes would not result in a Regulatory Deficiency Interest Deferral Event occurring, shall, in the absence of manifest error, be treated and accepted by the Trustee and the holders of the Notes and the Coupons relating to them and all other interested parties as correct and sufficient evidence thereof and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for so doing.

Notwithstanding any other provision in these Conditions or in the Trust Deed, the deferral of any payment of interest on a Mandatory Interest Deferral Date in accordance with this Condition 5(b) or Condition 3(b) will not constitute a default by the Issuer for any purpose and will not give Noteholders, Couponholders or the Trustee any right to accelerate any payment.

(c) Arrears of Interest

Any interest in respect of the Notes not paid on an Interest Payment Date as a result of the exercise by the Issuer of its discretion pursuant to Condition 5(a) or the obligation on the Issuer to defer pursuant to either Condition 5(b) or the operation of the Solvency Condition described in Condition 3(b) shall (without double-counting), together with any other interest in respect thereof not paid on an earlier Interest Payment Date shall, so long as the same remains unpaid, constitute "Arrears of Interest". Arrears of Interest shall not themselves bear interest.

Any Arrears of Interest and any other amount, payment of which is deferred in accordance with Conditions 5(a), 5(b), or 3(b) may (subject to Condition 3(b) and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator, if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time) be paid in whole or in part at any time (provided that at such time a Regulatory Deficiency Interest Deferral Event is not subsisting and would not occur if payment of such Arrears of Interest were made) upon the expiry of not less than 14 days' notice to such effect given by the Issuer to the Trustee and the Noteholders in accordance with Condition 16, and in any event will become due and payable (subject, in the case of (i) and (iii) below, to Condition 3(b) and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator, if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time) in whole (and not in part) upon the earliest of the following dates:

- (i) the next Interest Payment Date on which payment of interest in respect of the Notes is made (other than a voluntary payment by the Issuer of any Arrears of Interest); or
- (ii) the date on which an order is made or a resolution is passed for the winding-up of the Issuer (other than a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (A) have previously been approved in writing by the Trustee or by an Extraordinary Resolution and (B) do not provide that the Notes shall thereby become payable) or the date on which any administrator of the Issuer gives notice that it intends to declare and distribute a dividend; or
- (iii) the date fixed for any redemption or purchase of Notes by or on behalf of the Issuer pursuant to Condition 6.

(d) **Notice of Deferral**

The Issuer shall notify the Trustee and the Noteholders, in writing and in accordance with Condition 16, not less than five Business Days prior to an Interest Payment Date:

- (i) if that Interest Payment Date is an Optional Interest Payment Date in respect of which the Issuer elects to defer interest as provided in Condition 5(a); and
- (ii) if that Interest Payment Date is a Mandatory Interest Deferral Date and specify that interest will not be paid because a Regulatory Deficiency Interest Deferral Event has occurred and is continuing or would occur if payment of interest was made (in whole or in part) on such Interest Payment Date, provided that, if a Regulatory Deficiency Interest Deferral Event occurs less than five Business Days prior to an Interest Payment Date, the Issuer shall give notice of the interest deferral in accordance with Condition 16 as soon as reasonably practicable following the occurrence of such event and the Issuer shall not be in breach of its obligation to give not less than five Business Days' notice if it gives less than five Business Days' notice in such circumstances.

6. Redemption, Purchase and Options

(a) **Redemption**

- (i) Subject to Conditions 3(b) and 6(a)(ii), and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time) unless previously redeemed or purchased and cancelled as provided in this Condition 6, if a Maturity Date is specified hereon, each Note shall be finally redeemed on the Maturity Date at its Final Redemption Amount (which, unless otherwise provided hereon, is its principal amount) together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest.
- (ii) No Notes shall be redeemed pursuant to Conditions 6(a)(i), 6(d), 6(e), 6(f) or 6(g) if a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing or would occur if redemption is made on, if Condition 6(a)(i) applies, the Maturity Date or, if Condition 6(d), 6(e), 6(f) or 6(g) applies, any date specified for redemption in accordance with the relevant Condition or if the Relevant Regulator does not consent to the redemption (to the extent that consent is then required by the Relevant Regulator or the Relevant Rules) on any such date or if such redemption otherwise cannot be effected in compliance with the Relevant Rules on any such date.
- (iii) If redemption of the Notes does not occur on the Maturity Date or, as appropriate, the date specified in the notice of redemption by the Issuer under Condition 6(d), 6(e), 6(f) or 6(g) as a result of Condition 6(a)(ii) or as a result of the Relevant Regulator not consenting to the redemption (to the extent that consent is then required by the Relevant Regulator or the Relevant Rules) or because such redemption otherwise cannot be effected in compliance with the Relevant Rules on such date, subject to Condition 3(b) (in the case of sub-paragraphs (A) and

(B) below only) and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), such Notes shall be redeemed at their principal amount or the relevant amount specified in Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) together with accrued interest and any Arrears of Interest, upon the earliest of:

- (A) (in the case of a failure to redeem due to the operation of Condition 6(a)(ii) only), the date falling 10 Business Days after the date the Regulatory Deficiency Redemption Deferral Event has ceased (unless, on such tenth Business Day, a further Regulatory Deficiency Redemption Deferral Event has occurred and is continuing or redemption of the Notes on such date would result in a Regulatory Deficiency Redemption Deferral Event occurring, in which case the provisions of Condition 6(a)(ii), (iii) and (iv) shall apply mutatis mutandis to determine the due date for redemption); or
 - (B) the date falling 10 Business Days after the Relevant Regulator has agreed to the repayment or redemption of the Notes; or
 - (C) the date on which an order is made or a resolution is passed for the winding-up of the Issuer (other than a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (1) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (2) do not provide that the Notes shall thereby become payable) or the date on which any administrator of the Issuer gives notice that it intends to declare and distribute a dividend.
- (iv) If Condition 6(a)(ii) does not apply, but redemption of the Notes does not occur on the Maturity Date or the date specified in the notice of redemption given by the Issuer under Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) as a result of the Solvency Condition not being satisfied on the relevant date, in relation to the payment that would otherwise then be due, subject to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), such Notes shall be redeemed at their principal amount or the relevant amount specified in Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) together with accrued interest and any Arrears of Interest on the 10th Business Day immediately following the day on which (A) the Solvency Condition is satisfied prior to and immediately following after the redemption and (B) redemption of the Notes would not result in the Solvency Condition not being satisfied, provided that, if on such Business Day specified for redemption a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing, or would occur if the Notes were to be redeemed, or if the Relevant Regulator does not (to the extent required by the Relevant Regulator or the Relevant Rules) consent to, or objects to, the redemption or if such redemption otherwise cannot be effected in compliance with the Relevant Rules on such date, then the Notes shall not be redeemed on such date and Condition 3(b) and Condition 6(a)(iii) shall apply mutatis mutandis to determine the new date on which the Issuer shall be obliged to redeem the Notes.
- (v) A certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer addressed to the Trustee confirming that (A) a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing, or would occur if redemption of the Notes were to be made, or (B) a Regulatory Deficiency Redemption Deferral Event has ceased to occur and/or redemption of the Notes would not result in a Regulatory Deficiency Redemption Deferral Event occurring, shall, in the absence of manifest error, be treated and accepted by the Trustee and the holders of the Notes and the Coupons relating to them and all other interested parties as correct and sufficient evidence

thereof and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for doing so.

- (vi) Notwithstanding any other provision in these Conditions or in the Trust Deed, the deferral of redemption of the Notes in accordance with Condition 3(b) or this Condition 6 will not constitute a default by the Issuer and will not give Noteholders, Couponholders or the Trustee any right to accelerate any payment.
- (vii) Any Notes with no Maturity Date specified hereon may be redeemed only in accordance with the provisions of this Condition 6 or as provided in Condition 10.

(b) **Early Redemption**

Zero Coupon Notes

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note upon redemption of such Note pursuant to this Condition 6 or as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to this Condition 6 or as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue from (and including the Maturity Date) to (but excluding) the date of redemption in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(c) **Conditions to Redemption, Substitution, Variation or Purchase**

Prior to any notice of redemption before the Maturity Date (if any) or any substitution, variation or purchase of the Notes, the Issuer will be required to have received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), to be in continued compliance with the Regulatory Capital Requirements applicable to it from time to time and to be satisfied that such redemption, variation or purchase is not prohibited by the Relevant Rules. A certificate signed by any two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer confirming such compliance and delivered to the Trustee shall be conclusive evidence of such compliance and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for so doing.

Any redemption or purchase that is within five years of the Issue Date of the Notes (or, if any further Tranche(s) of the Notes has or have been issued pursuant to Condition 15 and consolidated to form a single series with the Notes, within five years of the Issue Date of the latest such Tranche to be issued), is subject to (if and to the extent required or applicable in order for the Notes to qualify as Tier 3 Capital of the Issuer and/or the Group under the Relevant Rules from time to time):

- (i) such redemption or purchase being (x) funded out of the proceeds of a new issuance of capital of at least the same quality as the Notes or (y) effected by way of exchange or conversion of the Notes into capital of at least the same quality as the Notes; or
- (ii) in the case of any redemption or purchase pursuant to Condition 6(d) or 6(f), the Relevant Regulator, being satisfied that the Solvency Capital Requirement applicable to the Issuer will be exceeded by an appropriate margin immediately after such redemption or purchase (taking into account the solvency position of the Issuer and the Group, including by reference to the Issuer's and the Group's medium-term capital management plan); and
 - (A) in the case of any such redemption following the occurrence of a Tax Law Change, the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the applicable change in tax treatment is material and was not reasonably foreseeable as at the Issue Date;
 - (B) in the case of any such redemption following the occurrence of a Capital Disqualification Event, the Relevant Regulator considering that the relevant change in the regulatory classification of the Notes is sufficiently certain and the Issuer having demonstrated to the satisfaction of the Relevant Regulator that such change was not reasonably foreseeable as at the Issue Date; and
- (iii) the Issuer delivering to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) stating that it would have been reasonable for the Issuer to conclude, judged at the Issue Date of the Notes, that the circumstance entitling the Issuer to exercise the right of redemption or purchase was unlikely to occur. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee shall be entitled to rely on such certificate without liability to any person.

Notwithstanding the above requirements of this Condition 6(c), if, at the time of any redemption, variation or purchase, the Relevant Rules permit the redemption, variation or purchase only after compliance with one or more alternative or additional conditions to those set out above (if and to the extent required or applicable in order for the notes to qualify as Tier 3 Capital of the Issuer and/or the Group under the Relevant Rules from time to time), the Issuer shall comply with such alternative and/or, as appropriate additional condition(s) as are then so required.

(d) **Redemption, Substitution or Variation at the Option of the Issuer due to Taxation Reasons**

If the Issuer determines that immediately before the giving of the notice referred to below, as a result of a Tax Law Change, either:

- (i) on the occasion of the next payment due in respect of the Notes, the Issuer would be required to pay additional amounts as provided or referred to in Condition 8; or
- (ii) on the next Interest Payment Date, the payment of interest in respect of the Notes would be treated as a "distribution" within the meaning of Chapter 2 of Part 23 of the Corporation Tax Act 2010 (as amended, re-enacted, replaced or rewritten), the Issuer may, at its option:
 - (A) subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice (a "**Tax Redemption Notice**") to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is either not a Floating Rate Note or is a Fixed to Floating Rate Note prior to its Fixed Rate End Date) or on any Interest Payment Date (if this Note is either a Floating Rate Note or a Fixed to Floating Rate Note

following its Fixed Rate End Date) at their Early Redemption Amount together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or

- (B) subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders, or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (but not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Qualifying Tier 3 Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and the receipt by it of the certificates referred to both below and in the definition of Qualifying Tier 3 Securities) agree to such substitution or variation. The Trustee shall at the Issuer's expense use its reasonable endeavours to assist the Issuer in giving effect to such substitution or variation of the Notes by executing such documents as the Issuer may consider necessary for this purpose, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the holders of Notes. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any Tax Redemption Notice or notice of substitution or variation as provided in this Condition 6(d), the Issuer shall deliver to the Trustee (1) a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that the Issuer is entitled to effect such redemption, substitution or variation, as the case may be, and setting forth a statement of facts showing that the Issuer has become, or is or would be, required to pay additional amounts or that the payment of interest has become, or is or would be, treated as a "distribution" as aforesaid, and (2) an opinion in form and substance reasonably satisfactory to the Trustee of independent legal advisers of recognised standing in accordance with the Trust Deed. The Trustee shall, without enquiring and without any liability therefor, accept such certificate as sufficient evidence of the satisfaction of either or both of the circumstances set out above, as the case may be, and such certificate shall be conclusive and binding on the Noteholders and the Couponholders.

In connection with any substitution or variation in accordance with this Condition 6(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

For this purpose: "Tax Law Change" means a change in or proposed change in, or amendment to or proposed amendment to, the laws or regulations of the United Kingdom or any political subdivision or authority therein or thereof having the power to tax, including any treaty to which the United Kingdom is a party, or any change in or proposed change in the application or official or generally published interpretation of such laws, including a decision of any court or tribunal, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written statements made by a tax authority regarding the anticipated tax treatment of the Notes, which change or amendment or proposed change or amendment becomes, or would become, effective, or which interpretation or pronouncement is made, in each case on or after the Issue Date of the first Tranche of the Notes.

(e) **Redemption at the Option of the Issuer**

Unless the Issuer shall have given notice to redeem the Notes under Conditions 6(d), 6(f) or 6(g) on or prior to the expiration of the notice referred to below, and if a Call Option

is specified hereon, the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) redeem all or, if so provided hereon, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with any interest accrued to (but excluding) the date fixed for redemption in accordance with these Conditions and any Arrears of Interest. Any such redemption must relate to Notes of an aggregate principal amount at least equal to the Minimum Redemption Amount specified hereon and no greater than the Maximum Redemption Amount specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 6.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(f) **Redemption, Substitution or Variation at the Option of the Issuer due to Capital Disqualification Event**

If a Capital Disqualification Call is specified hereon and, within the period from and including the date of the occurrence of a Capital Disqualification Event to and including the date which is the first anniversary of such occurrence (or such shorter period as may be set out hereon), the Issuer gives the notice referred to below and if on the date of such notice a Capital Disqualification Event is continuing, then:

- (i) the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (in accordance with Condition 16) (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the Notes (unless otherwise specified hereon) at any time or, if and for so long as such Notes are Floating Rate Notes or, if the Notes are Fixed to Floating Rate Notes, following their Fixed Rate End Date, on any Interest Payment Date. The Notes will be redeemed at their Special Redemption Price, in each case together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or
- (ii) the Issuer may, subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (and not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Qualifying Tier 3 Securities and the Trustee shall (subject to the following provisions of this Condition 6(f) and subject to the receipt by it of the certificates referred to below and in the definition of Qualifying Tier 3 Securities) agree to such substitution or variation. The Trustee shall at the Issuer's expense use its reasonable endeavours to assist the Issuer in giving effect to such substitution or variation of the Notes by executing such documents as the Issuer may consider necessary for this purpose, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the holders of Notes. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 6(f), the Issuer shall deliver to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that a Capital Disqualification Event has occurred and is continuing as at the date

of the certificate and a legal opinion in accordance with the Trust Deed, and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Capital Disqualification Event and (in the case of a proposed substitution or variation) that the substitution or variation, as the case may be, shall create Qualifying Tier 3 Securities (without liability to any person for so doing), in which event it shall be conclusive and binding on the Trustee, the Noteholders and the Couponholders. Upon expiry of such notice, the Issuer shall either redeem, vary or substitute the Notes, as the case may be.

In connection with any substitution or variation in accordance with this Condition 6(f), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

(g) **Redemption, Substitution or Variation at the Option of the Issuer for Rating Reasons**

If a Rating Methodology Call is specified hereon and if a Rating Methodology Event occurs, within the period from and including the date of the occurrence of such Rating Methodology Event to and including the date which is the first anniversary of such occurrence, the Issuer gives the notice referred to below and if on the date of such notice the Rating Methodology Event is continuing, then:

- (i) the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (in accordance with Condition 16) (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the Notes (unless otherwise specified hereon) at any time or, if and for so long as the Note is a Floating Rate Note or, if the Note is a Fixed to Floating Rate Note, following its Fixed Rate End Date, on any Interest Payment Date. The Notes will be redeemed at their Special Redemption Price, in each case together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or
- (ii) the Issuer may, subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (and not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Rating Agency Compliant Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below, in the definition of Qualifying Tier 3 Securities, and in the definition of Rating Agency Compliant Securities) agree to such substitution or variation.

The Trustee shall, at the Issuer's expense, use its reasonable endeavours to assist the Issuer in the substitution or variation of the Notes by or into Rating Agency Compliant Securities by executing such documents as the Issuer may consider necessary for this purpose provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the Noteholders. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 6(g), the Issuer shall deliver to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that a Rating Methodology Event has occurred and is continuing as at the date of the certificate and a legal opinion in accordance with the Trust Deed and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Rating Methodology Event (without liability to any person for so doing) and that the substitution or variation shall create Rating Agency Compliant Securities, in which event

it shall be conclusive and binding on the Trustee, the Noteholders and the Couponholders. Upon expiry of such notice, the Issuer shall either redeem, vary or substitute the Notes, as the case may be.

In connection with any substitution or variation in accordance with this Condition 6(g), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

(h) **Purchases**

Subject to Conditions 3(b) and 6(c), the Issuer and any of its Subsidiaries for the time being may, having given prior written notice to, and received consent or due notification of non-objection in writing from, the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), at any time purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(i) **Cancellation**

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(j) **Trustee Not Obligated to Monitor**

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 6 and will not be responsible to Noteholders for any loss arising from any failure by the Trustee to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 6, it shall be entitled to assume that no such event or circumstance exists.

7. Payments and Talons

(a) **Bearer Notes**

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii) or (v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) **Registered Notes**

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) **Payments in the United States**

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) **Payments Subject to Fiscal Laws**

Without prejudice to the provisions of Condition 8, all payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its agents), the Issuer will not be required to pay any additional amounts on account of a withholding or deduction for, or on account of, any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements and the Issuer shall be acquitted and discharged of so much money as is represented by any such withholding or deduction as if such sum had been actually paid to the holders of the Notes or Coupons. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. For the purposes of this Condition 7(d), the phrase “fiscal or other laws, regulations and directives” shall include any withholding or deduction imposed by sections 1471 through 1474 of the U.S. Internal Revenue Code (“FATCA”) or any agreement entered into pursuant to FATCA.

(e) **Appointment of Agents**

The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, Transfer Agents or Calculation Agents provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where these Conditions so require, and (v) a Paying Agent having a specified office in London so long as the Notes are admitted to the Official List of the FCA acting under Part VI of the Financial Services and Markets Act 2000 and admitted to trading on the Main Market of the London Stock Exchange.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) **Unmatured Coupons and Unexchanged Talons**

(i) Upon the due date for redemption of Bearer Notes which are Fixed Rate Notes (other than any Fixed Rate Notes where the total face value of the unexpired Coupons (if any) relating thereto exceeds the principal due in respect of such Note), such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or

Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (ii) Upon the due date for redemption of any Bearer Note which is a Floating Rate Note, a Fixed Rate Reset Note, a Fixed to Floating Rate Note or (where the total face value of the unmatured Coupons (if any) exceeds the principal due in respect of such Note) a Fixed Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of such Note is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date (if one is specified hereon) shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) **Talons**

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) **Non-Business Days**

If any date for payment in respect of any Note or Coupon is not a Business Day, the holder shall not be entitled to payment until the next following Business Day nor to any interest or other sum in respect of the postponement of such payment. In this paragraph (h), “Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation and in such jurisdictions (if any) as are specified as “Additional Financial Centres” hereon, and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in any currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. **Taxation**

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes and the Coupons shall be made without withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, except to the extent that the withholding or deduction is made in respect of FATCA, or any agreement entered into pursuant to

FATCA, the Issuer shall pay such additional amounts in respect of interest payments (but not in respect of any payments of principal) as shall result in receipt by the holders of Notes or Coupons of such amounts as would have been received by them had no such withholding or deduction been required by law to be made, except that no such additional amounts shall be payable with respect to any Note or Coupon:

(a) **Other Connection**

presented for payment by or on behalf of, or held by, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note or Coupon; or

(b) **Lawful Avoidance of Withholding**

presented for payment by or on behalf of, or held by, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non- residence or other similar claim or filing for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it) or Coupon is presented for payment or held by a holder; or

(c) **Presentation More Than 30 Days After the Relevant Date**

presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day after the Relevant Date; or

(d) **Presented for Payment in the United Kingdom**

presented for payment in the United Kingdom; or

(e) **Any Combination**

where the requirement to withhold or deduct which would otherwise give rise to the obligation to pay additional amounts arises out of any combination of paragraphs (a) to (d) above.

As used in these Conditions, “Relevant Date” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or the Certificate representing it) or Coupon being made in accordance with these Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Special Redemption Price, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “interest” shall be deemed to include any additional amounts that may be payable under this Condition 8 or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default and Enforcement

(a) Right to Institute Winding-up

Notwithstanding any of the provisions below in this Condition 10, the right to institute winding-up proceedings in respect of the Issuer is limited to circumstances where payment has become due. Pursuant to Condition 3(b), no principal, interest or any other amount will be due on the relevant payment date if the Solvency Condition is not satisfied both at the time of and immediately after any such payment. In the case of any payment of interest in respect of the Notes, such payment may be deferred pursuant to Condition 5(a) and will be deferred if Condition 5(b) applies and, in each case, if so deferred will not be due and, in the case of payment of principal, such payment will be deferred and will not be due if Condition 6(a)(ii) applies.

If:

- (i) default is made for a period of seven days or more in the payment of any interest due in respect of the Notes or any of them; or
- (ii) default is made for a period of seven days or more in payment of the principal due in respect of the Notes or any of them,

the Trustee may at its discretion and without further notice (subject to Condition 10(d)) institute proceedings for the winding-up of the Issuer and/or prove in the winding-up or administration of the Issuer and/or claim in the liquidation of the Issuer for such payment, but may take no further or other action to enforce, prove or claim for any such payment. No payment in respect of the Notes, the Coupons or the Trust Deed may be made by the Issuer pursuant to this Condition 10(a), otherwise than during or after a winding-up of the Issuer or after any administrator of the Issuer has given notice that it intends to declare and distribute a dividend, unless the Issuer has given prior written notice (with a copy to the Trustee) to, and received consent or due notification of non-objection in writing from, the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), which the Issuer shall confirm in writing to the Trustee.

(b) Amount Payable on Winding-up

If an order is made by the competent court or a resolution passed for the winding-up of the Issuer, (except, in any such case, a solvent winding-up, solely for the purpose of a reconstruction or amalgamation of the Issuer, the terms of which reconstruction or amalgamation (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (ii) do not provide that the Notes shall thereby become payable) or an administrator of the Issuer gives notice that it intends to declare and distribute a dividend, the Trustee at its discretion may, and if so requested by holders of at least one-quarter in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject, in each case, to Condition 10(d)), give notice to the Issuer that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at the amount equal to their principal amount together with accrued interest and any Arrears of Interest.

(c) Enforcement

Without prejudice to Conditions 10(a) and 10(b), the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer under or arising from the Notes, the Coupons or the Trust Deed (including, without limitation, any payment obligation in respect of any principal, premium or interest, or any damages awarded for breach of any obligations), provided that in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums (in cash or otherwise) sooner than the same would otherwise have been payable by it. Nothing in this Condition 10(c) shall, subject to Condition 10(a), prevent the Trustee instituting proceedings for the winding-up of the Issuer, proving in any winding-up of the Issuer and/or claiming in any liquidation of the Issuer in respect of any payment obligations of the Issuer arising from the Notes, the Coupons or the Trust Deed (including, without

limitation, payment of any principal, premium or interest in respect of the Notes or the Coupons and any damages awarded for any breach of any obligations).

(d) **Entitlement of the Trustee**

The Trustee shall not be bound to take any of the actions referred to in Conditions 10(a), 10(b) or 10(c) to enforce the obligations of the Issuer under the Trust Deed, the Notes or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

(e) **Rights of Noteholders**

No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding up of the Issuer or to prove in the winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise as set out in this Condition 10.

(f) **Extent of Noteholders' Remedy**

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes, the Coupons or under the Trust Deed.

11. Meetings of Noteholders, Modification and Waiver

(a) **Meetings of Noteholders**

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting (which need not be a physical meeting and instead may be held by way of conference call, including by use of a videoconference platform) may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts or Arrears of Interest on the Notes, (ii) to reduce or cancel the principal amount of or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest or Arrears of Interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, Special Redemption Price or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, or (viii) to modify Condition 3, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

Notwithstanding the foregoing, the agreement or approval of the Noteholders shall not be required in the case of any variation of these Conditions and/or the Trust Deed to which the Trustee has been obliged to agree in the circumstances described in Conditions 6(d) or 6(f) in connection with the substitution or variation of the Notes so that they remain, are replaced by, or become, Qualifying Tier 3 Securities, or in the circumstances described in Condition 6(g) in connection with the substitution or variation of the Notes so that they are replaced by, remain, or become, Rating Agency Compliant Securities, and no such substitution, variation or amendment proposed in relation thereto shall be regarded as a matter described in (i) to (viii) in the paragraph above. In addition, the Trustee shall be obliged to concur with the Issuer in giving effect to any Alternative Reference Rate, Adjustment Spread, Floating Rate Calculation Changes, Benchmark Replacement, Benchmark Replacement Conforming Changes or Alternative Relevant Rate pursuant to, and in accordance with, Condition 4(b)(iii)(E) or Condition 4(d)(iv) (as applicable) in the circumstances set out therein, without the consent of the Noteholders or Couponholders.

(b) **Modification of the Trust Deed**

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error or error proven to the satisfaction of the Trustee, or (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of these Conditions and the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on all the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

In addition, the Trustee shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent) agree, without the consent of the Noteholders or Couponholders to any modification or amendment to the provisions of the Trust Deed that is required to give effect to Condition 4(b)(iii)(E) or Condition 4(d)(iv) (as applicable) in the circumstances set out therein.

(c) **Notice to Relevant Regulator**

No modification to these Conditions or any other provisions of the Trust Deed shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the Relevant Regulator (or such other period of notice as the Relevant Regulator may accept or require and, in any event, provided that there is a requirement to give such notice).

(d) **Substitution**

The Trustee, if it is satisfied that such substitution would not be materially prejudicial to the interests of the Noteholders or Couponholders, may agree with the Issuer, without the consent of the Noteholders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 3 of the Retiring Issuer's successor in business (the "**New Issuer**") in place of the Retiring Issuer as the principal debtor under the Trust Deed, the Notes, the Coupons and the Talons provided that:

- (i) a deed is executed or undertaking given by the New Issuer to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of the Trust Deed, the Notes, the Coupons and the Talons (with such consequential amendments as the Trustee may deem appropriate) as if the New Issuer had been named in the Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Retiring Issuer;
- (ii) if any two Directors of the New Issuer certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the New Issuer's financial condition, profits or prospects or compare them with those of the Issuer;
- (iii) (without prejudice to the generality of sub-paragraph (i) above) the Trustee may in the event of such substitution agree, without the consent of the Noteholders or Couponholders, to a change in the law governing the Trust Deed and/or the Notes

and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders;

- (iv) if the New Issuer is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “**Substituted Territory**”) other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Retiring Issuer is subject generally (the “**Issuer's Territory**”), the New Issuer will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for the references in that Condition and in Condition 6(d) to the Issuer's Territory of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Coupons and the Talons will be read accordingly; and
- (v) the Retiring Issuer and the New Issuer comply with such other requirements as the Trustee may direct in the interests of the Noteholders.

In connection with any proposed substitution as aforesaid, the Trustee shall have regard to the interests of the Noteholders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no Noteholder or Couponholder shall be entitled to claim, whether from the Retiring Issuer, the New Issuer or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual Noteholders or Couponholders except to the extent already provided in Condition 8 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

Any substitution pursuant to this Condition 11(d) shall: (i) if prior to the fifth anniversary of the Issue Date (or, if any further Tranche(s) of the Notes has or have been issued pursuant to Condition 15 and consolidated to form a single series with the Notes, within five years of the Issue Date of the latest such Tranche to be issued), be subject to Condition 6(c)(i); and (ii) be subject (to the extent then required by the Relevant Regulator or the Relevant Rules) to any notifications to, or consent or provision of non-objection from, the Relevant Regulator and the Relevant Regulator not having withdrawn its approval, permission or consent, to such act.

12. Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in Condition 11), the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

13. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

14. Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) or of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed

Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

15. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition 15 and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 16.

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

18. Definitions

In addition to the terms defined elsewhere in these Conditions, as used herein:

“**Arrears of Interest**” has the meaning given to it in Condition 5(c);

“**Assets**” means the unconsolidated gross assets of the Issuer, as shown in the latest published audited balance sheet of the Issuer, but adjusted for subsequent events, all in such manner as the Directors of the Issuer may determine;

a “**Capital Disqualification Event**” is deemed to have occurred if, as a result of any replacement of or change to (or change to the interpretation by any court or authority entitled to do so of) the Relevant Rules, the whole or any part of the principal amount of the Notes is no longer capable of counting as Tier 3 Capital for the purposes of the Issuer, the Group, or any insurance undertaking or reinsurance undertaking within the Group whether on a solo, group or consolidated basis (except where any such non qualification is only as a result of any applicable limitation on the amount of such capital);

“**Compulsory Interest Payment Date**” means any Interest Payment Date in respect of which during the immediately preceding six months a Compulsory Interest Payment Event has occurred and which is not a Mandatory Interest Deferral Date and on which the Solvency Condition is satisfied;

“**Compulsory Interest Payment Event**” means:

- (i) any declaration, payment or making of a dividend or distribution by the Issuer to its ordinary shareholders; or

- (ii) any declaration, payment or making of a dividend, distribution or coupon on any other Junior Securities, except where such dividend, distribution or coupon was required to be declared, paid or made under the terms of such Junior Securities; or
- (iii) any declaration, payment or making of a dividend, distribution or coupon on any Pari Passu Securities, except where such dividend, distribution or coupon was required to be declared, paid or made under the terms of such Pari Passu Securities; or
- (iv) any repurchase by the Issuer of its ordinary shares for cash, provided such repurchase is not made in the ordinary course of business of the Issuer in connection with any share option scheme, share ownership scheme, or any other share scheme or share plan for management or employees of the Issuer or management or employees of affiliates of the Issuer; or
- (v) any redemption or repurchase by the Issuer or any Subsidiary of the Issuer of any other Junior Securities for cash, except a redemption required to be effected under the terms of such Junior Securities; or
- (vi) any redemption or repurchase by the Issuer or any Subsidiary of the Issuer of any Pari Passu Securities for cash, except a redemption required to be effected under the terms of such Pari Passu Securities,

provided that if at any time, and for so long as, the existence of any of the Compulsory Interest Payment Events at paragraphs (ii), (iii), (v) and/or (vi) above would result in the Notes or any part thereof ceasing to be eligible to qualify as Tier 3 Capital under the Relevant Rules, each of those paragraphs which would cause such result shall have no effect and the circumstances described therein shall not constitute a Compulsory Interest Payment Event;

In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. (A) ISDA Determination

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined in respect of an Interest Accrual

Period, the Rate of Interest for such Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for EURIBOR Linked Interest Notes

- (x) Subject to Condition 4(b)(iii)(E)(x), where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined and the Reference Rate is specified as being EURIBOR, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (y) Subject to Condition 4(b)(iii)(E)(x), if the Relevant Screen Page is not available or if sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, then, subject as provided below, the Calculation Agent shall request the principal Euro-zone office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for EURIBOR at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

If: (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined; (2) the Reference Rate specified in the applicable Final Terms is not Compounded Daily SOFR; and (3) any Rate of Interest (or component thereof) remains to be determined by reference to the Reference Rate to be calculated or administered or published and a Benchmark Event has occurred then the following provisions shall apply to the relevant Notes.

(a) The Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)).

(b) Subject to sub-paragraph (E)(x)(c), if:

(i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer), no later than five Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**IA Determination Cut-off Date**”), determines an Alternative Reference Rate and an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (E)(x) during any other future Interest Accrual Period(s)); or

(ii) the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (E)(x)(a) fails to determine an Alternative Reference Rate or an Adjustment Spread prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner), no later than three Business Days prior to the Interest Determination Date relating to the next Interest Accrual Period (the “**Issuer Determination Cut-off Date**”), determines an Alternative Reference Rate and an

then:

- (A) such Alternative Reference Rate shall be the Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x) during any other future Interest Accrual Period(s)).

Without prejudice to the definition thereof, for the purposes of determining an Alternative Reference Rate, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate; and

- (B) such Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)) shall be applied to such Alternative Reference Rate for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)). Without prejudice to the definition thereof, for the purposes of determining an Adjustment Spread, the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Issuer, in its sole discretion, considers appropriate.

- (c) Notwithstanding sub-paragraphs (iii)(B) and (iii)(C) above, if:

- (i) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) notifies the Issuer prior to the IA Determination Cut-off Date that it has determined that no Alternative Reference Rate exists;

- (ii) the Independent Adviser appointed by the Issuer in accordance with sub-paragraph (iii)(E)(x)(a) fails to determine an Alternative Reference Rate prior to the relevant IA Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (iii)(E)(x)(c)(i), and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Determination Cut-off Date that no Alternative Reference Rate exists; or
- (iii) no Alternative Reference Rate and/or applicable Adjustment Spread is otherwise determined in accordance with sub-paragraph (iii)(E)(x)(b) prior to the Issuer Determination Cut-off Date,

the relevant Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

This sub-paragraph (iii)(E)(x)(c) shall apply to the relevant Interest Accrual Period only. Any subsequent Interest Accrual Period(s) shall be subject to the operation of this sub-paragraph (iii)(E).

- (d) Promptly following the determination of any Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x), the Issuer shall give notice thereof and of any Adjustment Spread (and the effective date(s) thereof) and any Floating Rate Calculation Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect such waivers and

consequential amendments (the “**Floating Rate Calculation Changes**”) to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any application of this sub-paragraph (iii)(E)(x), including, but not limited to:

- (i) changes to these Terms and Conditions which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required in order to follow market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) in relation to such Alternative Reference Rate, including, but not limited to: (A) the relevant Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, and/or Interest Determination Date applicable to the Notes; and (B) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Alternative Reference Rate is not available; and
- (ii) any other changes which the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the relevant Reference Rate of such Alternative Reference Rate.

Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of the Floating Rate Calculation Changes; and (ii) certifies that the Floating Rate Calculation Changes are required to give effect to any application of this sub-paragraph (iii)(E)(x), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person.

For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(x)).

The Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or

the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Reference Rate as described in this sub-paragraph (iii)(E)(x) or such other relevant adjustments pursuant to this sub-paragraph (iii)(E)(x), or any Adjustment Spread, including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding any other provision of this sub-paragraph (iii)(E)(x) no Alternative Reference Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this sub-paragraph (iii)(E)(x), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 2 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(f) For the purposes of this sub-paragraph (iii)(E)(x):

“**Adjustment Spread**” means a spread (which may be positive, negative or zero) or formula or methodology for calculating a spread, which is required to be applied to an Alternative Reference Rate and is the spread, formula or methodology which:

- (A) is formally recommended in relation to the replacement of the Reference Rate specified in the applicable Final Terms with such Alternative Reference Rate by any Relevant Nominating Body; or,
- (B) if no such formal recommendation has been made, the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer, determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the relevant Reference Rate, where such rate has been replaced by such Alternative Reference Rate; or
- (C) if neither (A) nor (B) above applies, the Independent Adviser in its discretion (in consultation with the Issuer), or failing which, the Issuer in its discretion, determines (acting in good faith and in a commercially reasonable manner) to be appropriate in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of the relevant Reference Rate with such Alternative Reference Rate;

“Alternative Reference Rate” means the rate that has replaced the relevant Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in respect of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Interest Accrual Periods, or, if the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying Agent and the Calculation Agent and acting in good faith and a commercially reasonable manner) determines that there is no such rate, such other rate as the Independent Adviser (in consultation with the Issuer) or, failing which, the Issuer (in consultation with the Issuing and Paying Agent and the Calculation Agent and acting in good faith and in a commercially reasonable manner) determines in its or the Issuer’s sole discretion is most comparable to the relevant Reference Rate;

“Benchmark Event” means:

- (A) the Reference Rate specified in the applicable Final Terms ceasing to be published for a period of at least 5 Business Days or ceasing to exist;
- (B) the Issuer determines (in consultation with the Issuing and Paying Agent and the Calculation Agent) on the basis of factors including, but not limited to, a public statement by the administrator or the supervisor of the administrator of the Reference Rate specified in the applicable Final Terms, that:
 - (i) the Reference Rate specified in the applicable Final Terms has ceased (or will cease, prior to the next following Interest Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Reference Rate); or
 - (ii) the Reference Rate specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) permanently or indefinitely discontinued; or
 - (iii) the Reference Rate specified in the applicable Final Terms will, prior to the next following Interest Determination Date, be prohibited from being used, either generally or in respect of the Notes; or

- (iv) the Reference Rate specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
- (v) there has otherwise taken place (or will otherwise take place, prior to the next following Interest Determination Date) a change in customary market practice in the international capital markets applicable generally to floating rate notes denominated in the Specified Currency (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Reference Rate specified in the applicable Final Terms despite the continued existence of such Reference Rate; or

- (B) it is unlawful for any of the Issuing and Paying Agent and the Calculation Agent and/or the Issuer to determine or use such Reference Rate;

“Independent Adviser” means an independent financial institution of international repute or other independent financial adviser experienced in the international debt capital markets, in each case appointed by the Issuer at the Issuer’s expense; and

“Relevant Nominating Body” means, in respect of the Reference Rate specified in the applicable Final Terms:

- (A) the central bank for the currency to which such Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of such Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of: (a) the central bank for the currency to which such Reference Rate relates; (b) any central bank or other supervisory authority which is responsible for supervising the administrator of such Reference Rate; (c) a group of the aforementioned central banks or other supervisory authorities; or (d) the Financial Stability Board or any part thereof.

- (y) SOFR Linked Interest Notes

If: (1) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to

be determined; (2) the Reference Rate specified in the applicable Final Terms is Compounded Daily SOFR; and (3) any Rate of Interest (or component thereof) remains to be determined by reference to the relevant Benchmark, then the following provisions shall apply instead of the provisions of sub-paragraph (iii)(E)(x) above.

- (a) If the Issuer determines on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the relevant Benchmark, the Benchmark Replacement will replace such Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates (subject to any subsequent application of this sub-paragraph (iii)(E)(y) with respect to such Benchmark Replacement).
- (b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer has the right to make Benchmark Replacement Conforming Changes from time to time.
- (c) Any determination, decision or election that may be made by the Issuer pursuant to this sub-paragraph (iii)(E)(y), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection will be conclusive and binding absent manifest error, and may be made in the Issuer's sole discretion.
- (d) Promptly following the determination of any Benchmark Replacement as described in this sub-paragraph (iii)(E)(y), the Issuer shall give notice thereof and of any Benchmark Replacement Conforming Changes to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent), effect any amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as may be required to give effect to any Benchmark Replacement Conforming Changes.

Prior to any such amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and the Calculation Agent, which: (I) confirms that a Benchmark Transition Event has occurred, specifies the Benchmark Replacement and provides details of the Benchmark Replacement Conforming Changes

(if any); and (II) certifies that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement, and the Trustee, the Issuing and Paying Agent and the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Accrual Periods (subject to the subsequent operation of this sub-paragraph (iii)(E)(y)).

The Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Terms and Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Benchmark Replacement as described in this sub-paragraph (iii)(E)(y) or any Benchmark Replacement Conforming Changes pursuant to this sub-paragraph (iii)(E)(y), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding any other provision of this sub-paragraph (iii)(E)(y) no Benchmark Replacement will be adopted, and no other Benchmark Replacement Conforming Changes will be made pursuant to this sub-paragraph (iii)(E)(y), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected: (A) to prejudice the qualification of the Notes as Tier 2 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(f) For the purposes of this sub-paragraph (iii)(E)(y):

“**Benchmark**” means, initially, SOFR, as originally specified for the purposes of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR or any Benchmark which has replaced it in accordance with this sub-paragraph (iii)(E)(y), then “**Benchmark**” means the applicable Benchmark Replacement;

“**Benchmark Replacement**” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (A) the sum of: (I) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor; and (II) the Benchmark Replacement Adjustment;
- (B) the sum of: (I) the ISDA Fallback Rate; and (II) the Benchmark Replacement Adjustment; or
- (C) the sum of: (I) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time; and (II) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (A) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (B) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Interest Period” or “Interest Accrual Period”, the timing and frequency of determining rates and making payments of interest, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the interest period and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark

Replacement in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary);

“Benchmark Replacement Date” means:

- (A) in the case of paragraph (A) or (B) of the definition of “Benchmark Transition Event,” the later of: (x) the date of the public statement or publication of information referenced therein; and (y) the date on which the administrator of the relevant Benchmark permanently or indefinitely ceases to provide such Benchmark, or
- (B) in the case of paragraph (C) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein; and

for the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that the administrator has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark (or such component), which states that the administrator of the Benchmark (or such

component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or

- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“Compounded SOFR” means, for the purposes of determining a replacement Benchmark for the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate (which, for example, may be compounded in arrears with a look-back and/or suspension period as a mechanism to determine the interest amount payable prior to the end of each interest period or compounded in advance) being established by the Issuer in accordance with:

- (A) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; or
- (B) if, and to the extent that, the Issuer determines that Compounded SOFR cannot be determined in accordance with paragraph (A) above, the rate, or methodology for this rate, and conventions for this rate that have been selected by the Issuer giving due consideration to any industry-accepted market practice for similar U.S. dollar denominated floating rate notes at such time;

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark;

“Federal Reserve Bank of New York’s website” means the website of the Federal Reserve Bank of New York at <http://www.newyorkfed.org>, or any successor source;

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor;

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the

Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“**Reference Time**” with respect to any determination of the Benchmark means: (1) if the Benchmark is SOFR, 2.00 p.m. (London time) on the day that is two London Business Days preceding the date of such determination; and (2) if the Benchmark is not SOFR, the time determined by the Issuer in accordance with the Benchmark Replacement Conforming Changes;

“**Relevant Governmental Body**” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto;

“**SOFR**” with respect to any day means the secured overnight financing rate published for such day by the Federal Reserve Bank of New York, as the administrator of the Benchmark, (or a successor administrator) on the Federal Reserve Bank of New York’s website; and

“**Unadjusted Benchmark Replacement**” means the Benchmark Replacement excluding the applicable Benchmark Replacement Adjustment.

(F) **Linear Interpolation**

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period, provided however, that, if there is no such rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Applicable Maturity” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note is repayable prior to the Maturity Date and is not paid when due, the amount due and payable, subject to Condition 5, prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)).

(d) **Fixed Rate Reset Notes**

(i) **Accrual of interest**

Subject to Conditions 3(b) and 5, each Fixed Rate Reset Note bears interest on its outstanding principal amount:

- (A) in respect of the period from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Interest Commencement Date), at the rate per annum equal to the Initial Rate of Interest; and
- (B) in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period), at such rate per annum as is equal to the relevant Subsequent Reset Rate, as determined by the Calculation Agent on the relevant Reset Determination Date in accordance with this Condition,

payable, in each case, in arrear on the relevant Interest Payment Date(s).

(ii) **Subsequent Reset Rate Screen Page**

If the Subsequent Reset Rate Screen Page is not available or if the Mid-Swap Rate does not appear on the Subsequent Reset Rate Screen Page, (other than in the circumstances provided for in Condition 4(d)(iv)) the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Subsequent Reset Reference Rate at approximately the Subsequent Reset Rate Time on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Subsequent Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the applicable Initial Credit Spread and Step-Up Margin (if any), all as determined by the Calculation Agent. If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the foregoing provisions of this paragraph, the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest.

(iii) **CMT Screen Page**

If the CMT Screen Page is not available or if the CMT Rate cannot be determined in accordance with limbs (i) or (ii) of the definition of “CMT Rate” in Condition 4(h), the Subsequent Reset Reference Rate shall be determined in accordance with limb (iii) of the definition of “CMT Rate” in Condition 4(h).

(iv) **Mid-Swap Rate Replacement**

- (A) If any Rate of Interest (or component thereof) remains to be determined by reference to the Mid-Swap Rate where a Mid-Swap Benchmark Rate is specified and a Benchmark Event has occurred in respect of either the Mid-Swap Rate or the Mid-Swap Benchmark Rate then the following provisions shall apply to the relevant Notes:
 - (a) the Issuer shall use reasonable efforts to appoint an Independent Adviser to determine (in each case in consultation with the Issuer) an Alternative Relevant Rate and such other adjustments (if any) as referred to in this Condition 4(d)(iv)(A) for the purposes of determining the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A) during any other future Reset Period(s)).
 - (b) Subject to paragraph (c) of this Condition 4(d)(iv)(A), if:
 - (i) the Independent Adviser acting in good faith and in a commercially reasonable manner (in consultation with the Issuer) determines no later than five Business Days prior to the Reset Determination Date relating to the next Reset Period (the “**IA Mid-Swap**”

Determination Cut-off Date”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for setting rates comparable to the Mid-Swap Rate; or

- (ii) the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, the Issuer determines (acting in good faith and in a commercially reasonable manner) no later than three Business Days prior to the relevant Reset Determination Date relating to the next Reset Period (the “**Issuer Mid-Swap Determination Cut-off Date**”) that an Alternative Relevant Rate has succeeded or replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for setting rates which is comparable to the Mid-Swap Rate,

then the Mid-Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A) during any other future Reset Period(s)) shall be such Alternative Relevant Rate.

Without prejudice to the definition thereof, for the purposes of determining an Alternative Relevant Rate and/or applicable adjustments thereto (if any), the Independent Adviser or the Issuer (as applicable) will take into account relevant and applicable market precedents, as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Independent Adviser or the Issuer (as applicable), in its sole discretion, considers appropriate.

- (c) Notwithstanding Condition 4(d)(ii), if:
 - (i) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) notifies the Issuer prior to the IA Mid-Swap Determination Cut-off Date that it has determined that no Alternative Relevant Rate exists;
 - (ii) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 4(d)(iv)(A) fails to determine an Alternative Relevant Rate prior to the relevant IA Mid-Swap Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (c)(i) of this Condition 4(d)(iv)(A) and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Mid-Swap Determination Cut-off Date that no Alternative Relevant Rate exists; or
 - (iii) an Alternative Relevant Rate is not otherwise determined in accordance with paragraph (b) of this Condition 4(d)(iv)(A) prior to the Issuer Mid-Swap Determination Cut-off Date,

the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest (though applying, where a Step-up Margin is to be applied to the relevant Reset Period, the Step-up Margin relating to the relevant Reset Period in place of the Step-up Margin (if any) relating to that last preceding Reset Period).

This paragraph (c) shall apply to the relevant Reset Period only. Any subsequent Reset Period(s) shall be subject to the operation of this Condition 4(d)(iv)(A).

- (d) Promptly following the determination of any Alternative Relevant Rate as described in this Condition 4(d)(iv)(A), the Issuer shall give notice thereof and of any adjustments (and the effective date(s) thereof) pursuant to this Condition 4(d)(iv)(A) to the Trustee, the Issuing and Paying Agent, any Calculation Agent and, in accordance with Condition 16, the Noteholders.

The Trustee and the Issuing and Paying Agent shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and, where applicable, the Calculation Agent), effect such waivers and consequential amendments to the Trust Deed, the Agency Agreement, these Terms and Conditions and any other document as the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines may be required to give effect to any application of this Condition 4(d)(iv)(A). Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer to the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent which: (i) provides details of such waivers and/or consequential amendments; and (ii) certifies that such waivers and/or consequential amendments are required to give effect to any application of this Condition 4(d)(iv)(A), and the Trustee, the Issuing and Paying Agent and, where applicable, the Calculation Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Reset Periods (subject to the subsequent operation of this Condition 4(d)(iv)(A)). No consent of the Noteholders shall be required in connection with effecting the relevant Alternative Relevant Rate as described in this Condition 4(d)(iv)(A) or such other relevant adjustments pursuant to this Condition 4(d)(iv)(A), including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding the foregoing, the Trustee shall not be obliged to agree to any modification if, in the sole opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions

afforded to the Trustee in these Terms and Conditions or the Trust Deed.

Notwithstanding any other provision of this Condition 4(d)(iv)(A) no Alternative Relevant Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 4(d)(iv)(A), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected: (A) to prejudice the qualification of the Notes as Tier 2 Capital of the Issuer or the Group for the purposes of the Relevant Rules; or (B) to cause a Capital Disqualification Event or a Rating Methodology Event to occur.

(B) For the purposes of this Condition 4(d):

“Alternative Relevant Rate” means the mid-swap rate which has replaced the Mid-Swap Rate in customary market usage in the international debt capital markets for the purposes of pricing new issues of notes denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Reset Period, or, if the Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines that there is no such rate, such other rate as such Independent Adviser (in consultation with the Issuer) or the Issuer (as applicable) determines in its discretion is most comparable to the Mid-Swap Rate;

“Benchmark Event” means:

- (a) the Mid-Swap Rate or the relevant component part(s) thereof or Mid-Swap Benchmark Rate specified in the applicable Final Terms (as applicable) ceasing to be published for a period of at least 5 Business Days or ceasing to exist;
- (b) the Issuer determines (in consultation with the Calculation Agent and the Issuing and Paying Agent) on the basis of factors including, but not limited to, a public statement by the administrator or the supervisor of the administrator of the applicable Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable), that:
 - (i) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has ceased (or will cease, prior to the next following Reset Determination Date) to be calculated or administered or published by the relevant administrator (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable)); or
 - (ii) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms has been (or will be prior to the next following Interest Determination Date) be permanently or indefinitely discontinued; or
 - (iii) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms will, prior to the next following Interest

Determination Date, be prohibited from being used, either generally or in respect of the Notes; or

- (iv) the Mid-Swap Rate (or the relevant component part(s) thereof) or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms is (or will be, prior to the next following Interest Determination Date) deemed to be no longer representative of its relevant underlying market; or
- (v) there has otherwise taken place (or will otherwise take place, prior to the next following Reset Determination Date) a change in customary market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) to refer to a base rate other than the Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable) specified in the applicable Final Terms despite the continued existence of such Mid-Swap Rate or Mid-Swap Benchmark Rate (as applicable); or
- (c) it is unlawful for any of the Issuing and Paying Agent, the Calculation Agent and/or the Issuer to determine or use such Mid-Swap Rate or Mid-Swap Benchmark Rate; and

Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable as a result of any action taken by the Trustee, the Noteholders or Couponholders to institute winding-up proceedings in respect of the Issuer in accordance with Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition 4(g) but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(a) **Redemption**

- (i) Subject to Conditions 3(b) and 6(a)(ii), and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), unless previously redeemed or purchased and cancelled as provided in this Condition 6, if a Maturity Date is specified hereon, each Note shall be finally redeemed on the Maturity Date at its Final Redemption Amount (which, unless otherwise provided hereon, is its principal amount) together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest.
- (ii) No Notes shall be redeemed pursuant to Conditions 6(a)(i), 6(d), 6(e), 6(f) or 6(g) if a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing or would occur if redemption is made on, if Condition 6(a)(i) applies, the Maturity Date or, if Condition 6(d), 6(e), 6(f) or 6(g) applies, any date specified for redemption in accordance with the relevant Condition or if the Relevant Regulator does not consent to the redemption (to the extent that consent is then required by the Relevant Regulator or the Relevant Rules) on any such date or if such redemption otherwise cannot be effected in compliance with the Relevant Rules on any such date.
- (iii) If redemption of the Notes does not occur on the Maturity Date or, as appropriate, the date specified in the notice of redemption by the Issuer under Condition 6(d), 6(e), 6(f) or 6(g) as a result of Condition 6(a)(ii) or as a result of the Relevant Regulator not consenting to the redemption (to the extent that consent is then required by the Relevant Regulator or the Relevant Rules) or because such redemption otherwise cannot be effected in compliance with the Relevant Rules on such date, subject to Condition 3(b) (in the case of sub-paragraphs (A) and

(B) below only) and to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), such Notes shall be redeemed at their principal amount or the relevant amount specified in Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) together with accrued interest and any Arrears of Interest, upon the earliest of:

- (A) (in the case of a failure to redeem due to the operation of Condition 6(a)(ii) only), the date falling 10 Business Days after the date the Regulatory Deficiency Redemption Deferral Event has ceased (unless, on such tenth Business Day, a further Regulatory Deficiency Redemption Deferral Event has occurred and is continuing or redemption of the Notes on such date would result in a Regulatory Deficiency Redemption Deferral Event occurring, in which case the provisions of Condition 6(a)(ii), (iii) and (iv) shall apply mutatis mutandis to determine the due date for redemption); or
 - (B) the date falling 10 Business Days after the Relevant Regulator has agreed to the repayment or redemption of the Notes; or
 - (C) the date on which an order is made or a resolution is passed for the winding-up of the Issuer (other than a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (1) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (2) do not provide that the Notes shall thereby become payable) or the date on which any administrator of the Issuer gives notice that it intends to declare and distribute a dividend.
- (iv) If Condition 6(a)(ii) does not apply, but redemption of the Notes does not occur on the Maturity Date or the date specified in the notice of redemption given by the Issuer under Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) as a result of the Solvency Condition not being satisfied on the relevant date, in relation to the payment that would otherwise then be due, subject to the Issuer having received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), such Notes shall be redeemed at their principal amount or the relevant amount specified in Condition 6(d), 6(e), 6(f) or 6(g) (as applicable) together with accrued interest and any Arrears of Interest on the 10th Business Day immediately following the day on which (A) the Solvency Condition is satisfied prior to and immediately following after the redemption and (B) redemption of the Notes would not result in the Solvency Condition not being satisfied, provided that, if on such Business Day specified for redemption a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing, or would occur if the Notes were to be redeemed, or if the Relevant Regulator does not (to the extent required by the Relevant Regulator or the Relevant Rules) consent to, or objects to, the redemption or if such redemption otherwise cannot be effected in compliance with the Relevant Rules on such date, then the Notes shall not be redeemed on such date and Condition 3(b) and Condition 6(a)(iii) shall apply mutatis mutandis to determine the new date on which the Issuer shall be obliged to redeem the Notes.
- (v) A certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer addressed to the Trustee confirming that (A) a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing, or would occur if redemption of the Notes were to be made, or (B) a Regulatory Deficiency Redemption Deferral Event has ceased to occur and/or redemption of the Notes would not result in a Regulatory Deficiency Redemption Deferral Event occurring, shall, in the absence of manifest error, be treated and accepted by the Trustee and the holders of the Notes and the Coupons relating to them and all other interested parties as correct and sufficient evidence

thereof and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for doing so.

- (vi) Notwithstanding any other provision in these Conditions or in the Trust Deed, the deferral of redemption of the Notes in accordance with Condition 3(b) or this Condition 6 will not constitute a default by the Issuer and will not give Noteholders, Couponholders or the Trustee any right to accelerate any payment.
- (vii) Any Notes with no Maturity Date specified hereon may be redeemed only in accordance with the provisions of this Condition 6 or as provided in Condition 10.

(b) **Early Redemption**

Zero Coupon Notes

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note upon redemption of such Note pursuant to this Condition 6 or as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to this Condition 6 or as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue from (and including the Maturity Date) to (but excluding) the date of redemption in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(c) **Conditions to Redemption, Substitution, Variation or Purchase**

Prior to any notice of redemption before the Maturity Date (if any) or any substitution, variation or purchase of the Notes, the Issuer will be required to have received consent or due notification of non-objection in writing from the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), to be in continued compliance with the Regulatory Capital Requirements applicable to it from time to time and to be satisfied that such redemption, variation or purchase is not prohibited by the Relevant Rules. A certificate signed by any two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer confirming such compliance and delivered to the Trustee shall be conclusive evidence of such compliance and the Trustee shall be entitled to rely on such certificate without further investigation and without liability to any person for so doing.

Any redemption or purchase that is within five years of the Issue Date of the Notes (or, if any further Tranche(s) of the Notes has or have been issued pursuant to Condition 15 and consolidated to form a single series with the Notes, within five years of the Issue Date of the latest such Tranche to be issued), is subject to (if and to the extent required or applicable in order for the Notes to qualify as Tier 2 Capital of the Issuer and/or the Group under the Relevant Rules from time to time):

- (i) such redemption or purchase being (x) funded out of the proceeds of a new issuance of capital of at least the same quality as the Notes or (y) effected by way of exchange or conversion of the Notes into capital of at least the same quality as the Notes; or
- (ii) in the case of any redemption or purchase pursuant to Condition 6(d) or 6(f), the Relevant Regulator, being satisfied that the Solvency Capital Requirement applicable to the Issuer will be exceeded by an appropriate margin immediately after such redemption or purchase (taking into account the solvency position of the Issuer and the Group, including by reference to the Issuer's and the Group's medium-term capital management plan); and
 - (A) in the case of any such redemption following the occurrence of a Tax Law Change, the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the applicable change in tax treatment is material and was not reasonably foreseeable as at the Issue Date;
 - (B) in the case of any such redemption following the occurrence of a Capital Disqualification Event, the Relevant Regulator considering that the relevant change in the regulatory classification of the Notes is sufficiently certain and the Issuer having demonstrated to the satisfaction of the Relevant Regulator that such change was not reasonably foreseeable as at the Issue Date; and
- (iii) the Issuer delivering to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) stating that it would have been reasonable for the Issuer to conclude, judged at the Issue Date of the Notes, that the circumstance entitling the Issuer to exercise the right of redemption or purchase was unlikely to occur. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee shall be entitled to rely on such certificate without liability to any person.

Notwithstanding the above requirements of this Condition 6(c), if, at the time of any redemption, variation or purchase, the Relevant Rules permit the redemption, variation or purchase only after compliance with one or more alternative or additional conditions to those set out above (if and to the extent required or applicable in order for the notes to qualify as Tier 2 Capital of the Issuer and/or the Group under the Relevant Rules from time to time), the Issuer shall comply with such alternative and/or, as appropriate additional condition(s) as are then so required.

(d) **Redemption, Substitution or Variation at the Option of the Issuer due to Taxation Reasons**

If the Issuer determines that immediately before the giving of the notice referred to below, as a result of a Tax Law Change, either:

- (i) on the occasion of the next payment due in respect of the Notes, the Issuer would be required to pay additional amounts as provided or referred to in Condition 8; or
- (ii) on the next Interest Payment Date, the payment of interest in respect of the Notes would be treated as a "distribution" within the meaning of Chapter 2 of Part 23 of the Corporation Tax Act 2010 (as amended, re-enacted, replaced or rewritten),

the Issuer may, at its option:

- (A) subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice (a "**Tax Redemption Notice**") to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is either not a Floating Rate Note or is a Fixed to Floating Rate Note prior to its Fixed Rate End Date) or on any Interest Payment Date (if this Note is either a Floating Rate Note or a Fixed to Floating Rate Note

following its Fixed Rate End Date) at their Early Redemption Amount together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or

- (B) subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders, or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (but not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Qualifying Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and the receipt by it of the certificates referred to both below and in the definition of Qualifying Tier 2 Securities) agree to such substitution or variation. The Trustee shall at the Issuer's expense use its reasonable endeavours to assist the Issuer in giving effect to such substitution or variation of the Notes by executing such documents as the Issuer may consider necessary for this purpose, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the holders of Notes. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any Tax Redemption Notice or notice of substitution or variation as provided in this Condition 6(d), the Issuer shall deliver to the Trustee (1) a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that the Issuer is entitled to effect such redemption, substitution or variation, as the case may be, and setting forth a statement of facts showing that the Issuer has become, or is or would be, required to pay additional amounts or that the payment of interest has become, or is or would be, treated as a "distribution" as aforesaid, and (2) an opinion in form and substance reasonably satisfactory to the Trustee of independent legal advisers of recognised standing in accordance with the Trust Deed. The Trustee shall, without enquiring and without any liability therefor, accept such certificate as sufficient evidence of the satisfaction of either or both of the circumstances set out above, as the case may be, and such certificate shall be conclusive and binding on the Noteholders and the Couponholders.

In connection with any substitution or variation in accordance with this Condition 6(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

For this purpose: "Tax Law Change" means a change in or proposed change in, or amendment to or proposed amendment to, the laws or regulations of the United Kingdom or any political subdivision or authority therein or thereof having the power to tax, including any treaty to which the United Kingdom is a party, or any change in or proposed change in the application or official or generally published interpretation of such laws, including a decision of any court or tribunal, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written statements made by a tax authority regarding the anticipated tax treatment of the Notes, which change or amendment or proposed change or amendment becomes, or would become, effective, or which interpretation or pronouncement is made, in each case on or after the Issue Date of the first Tranche of the Notes.

(e) **Redemption at the Option of the Issuer**

Unless the Issuer shall have given notice to redeem the Notes under Conditions 6(d), 6(f) or 6(g) on or prior to the expiration of the notice referred to below, and if a Call Option

is specified hereon, the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), redeem all or, if so provided hereon, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with any interest accrued to (but excluding) the date fixed for redemption in accordance with these Conditions and any Arrears of Interest. Any such redemption must relate to Notes of an aggregate principal amount at least equal to the Minimum Redemption Amount specified hereon and no greater than the Maximum Redemption Amount specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 6.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(f) **Redemption, Substitution or Variation at the Option of the Issuer due to Capital Disqualification Event**

If a Capital Disqualification Call is specified hereon and, within the period from and including the date of the occurrence of a Capital Disqualification Event to and including the date which is the first anniversary of such occurrence (or such shorter period as may be set out hereon), the Issuer gives the notice referred to below and if on the date of such notice a Capital Disqualification Event is continuing, then:

- (i) the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (in accordance with Condition 16) (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the Notes (unless otherwise specified hereon) at any time or, if and for so long as such Notes are Floating Rate Notes or, if the Notes are Fixed to Floating Rate Notes, following their Fixed Rate End Date, on any Interest Payment Date. The Notes will be redeemed at their Special Redemption Price, in each case together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or
- (ii) the Issuer may, subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (and not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Qualifying Tier 2 Securities and the Trustee shall (subject to the following provisions of this Condition 6(f) and subject to the receipt by it of the certificates referred to below and in the definition of Qualifying Tier 2 Securities) agree to such substitution or variation. The Trustee shall at the Issuer's expense use its reasonable endeavours to assist the Issuer in giving effect to such substitution or variation of the Notes by executing such documents as the Issuer may consider necessary for this purpose, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the holders of Notes. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 6(f), the Issuer shall deliver to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that a Capital Disqualification Event has occurred and is continuing as at the date

of the certificate and a legal opinion in accordance with the Trust Deed, and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Capital Disqualification Event and (in the case of a proposed substitution or variation) that the substitution or variation, as the case may be, shall create Qualifying Tier 2 Securities (without liability to any person for so doing), in which event it shall be conclusive and binding on the Trustee, the Noteholders and the Couponholders. Upon expiry of such notice, the Issuer shall either redeem, vary or substitute the Notes, as the case may be.

In connection with any substitution or variation in accordance with this Condition 6(f), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

(g) **Redemption, Substitution or Variation at the Option of the Issuer for Rating Reasons**

If a Rating Methodology Call is specified hereon and if a Rating Methodology Event occurs, within the period from and including the date of the occurrence of such Rating Methodology Event to and including the date which is the first anniversary of such occurrence, the Issuer gives the notice referred to below and if on the date of such notice the Rating Methodology Event is continuing, then:

- (i) the Issuer may, subject to Conditions 3(b), 6(a)(ii) and 6(c), having given not less than 30 or more than 60 days' notice to the Issuing and Paying Agent, the Trustee and, if the Notes are Registered Notes, the holders of such Notes (in accordance with Condition 16) (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the Notes (unless otherwise specified hereon) at any time or, if and for so long as the Note is a Floating Rate Note or, if the Note is a Fixed to Floating Rate Note, following its Fixed Rate End Date, on any Interest Payment Date. The Notes will be redeemed at their Special Redemption Price, in each case together with any interest accrued to (but excluding) the date of redemption in accordance with these Conditions and any Arrears of Interest; or
- (ii) the Issuer may, subject to Condition 6(c) (without any requirement for the consent or approval of the Noteholders or the Couponholders) and having given not less than 30 or more than 60 days' notice to the Trustee, the Issuing and Paying Agent and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), substitute at any time for all (and not some only) of the Notes, or vary the terms of all (but not some only) of the Notes so that they become, Rating Agency Compliant Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below, in the definition of Qualifying Tier 2 Securities, and in the definition of Rating Agency Compliant Securities) agree to such substitution or variation.

The Trustee shall, at the Issuer's expense, use its reasonable endeavours to assist the Issuer in the substitution or variation of the Notes by or into Rating Agency Compliant Securities by executing such documents as the Issuer may consider necessary for this purpose provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation of the Notes which, in the Trustee's opinion, would impose more onerous obligations upon it with regard to its obligations and/or duties as Trustee but disregarding for these purposes the interests of the Noteholders. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the Notes as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 6(g), the Issuer shall deliver to the Trustee a certificate signed by two Directors or other Authorised Signatories (as defined in the Trust Deed) of the Issuer stating that a Rating Methodology Event has occurred and is continuing as at the date of the certificate and a legal opinion in accordance with the Trust Deed and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Rating Methodology Event (without liability to any person for so doing) and that the substitution or variation shall create Rating Agency Compliant Securities, in which event

it shall be conclusive and binding on the Trustee, the Noteholders and the Couponholders. Upon expiry of such notice, the Issuer shall either redeem, vary or substitute the Notes, as the case may be.

In connection with any substitution or variation in accordance with this Condition 6(g), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Notes are from time to time listed or admitted to trading.

(h) **Purchases**

Subject to Conditions 3(b) and 6(c), the Issuer and any of its Subsidiaries for the time being may, having given prior written notice to, and received consent or due notification of non-objection in writing from, the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), at any time purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(i) **Cancellation**

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(j) **Trustee Not Obligated to Monitor**

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 6 and will not be responsible to Noteholders for any loss arising from any failure by the Trustee to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 6, it shall be entitled to assume that no such event or circumstance exists.

7. Payments and Talons

(a) **Bearer Notes**

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii) or (v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) **Registered Notes**

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) **Payments in the United States**

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) **Payments Subject to Fiscal Laws**

Without prejudice to the provisions of Condition 8, all payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its agents), the Issuer will not be required to pay any additional amounts on account of a withholding or deduction for, or on account of, any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements and the Issuer shall be acquitted and discharged of so much money as is represented by any such withholding or deduction as if such sum had been actually paid to the holders of the Notes or Coupons. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. For the purposes of this Condition 7(d), the phrase “fiscal or other laws, regulations and directives” shall include any withholding or deduction imposed by sections 1471 through 1474 of the U.S. Internal Revenue Code (“FATCA”) or any agreement entered into pursuant to FATCA.

(e) **Appointment of Agents**

The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, Transfer Agents or Calculation Agents provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where these Conditions so require, and (v) a Paying Agent having a specified office in London so long as the Notes are admitted to the Official List of the FCA acting under Part VI of the Financial Services and Markets Act 2000 and admitted to trading on the Main Market of the London Stock Exchange.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) **Unmatured Coupons and Unexchanged Talons**

(i) Upon the due date for redemption of Bearer Notes which are Fixed Rate Notes (other than any Fixed Rate Notes where the total face value of the unexpired Coupons (if any) relating thereto exceeds the principal due in respect of such Note), such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or

Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (ii) Upon the due date for redemption of any Bearer Note which is a Floating Rate Note, a Fixed Rate Reset Note, a Fixed to Floating Rate Note or (where the total face value of the unmatured Coupons (if any) exceeds the principal due in respect of such Note) a Fixed Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of such Note is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date (if one is specified hereon) shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) **Talons**

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) **Non-Business Days**

If any date for payment in respect of any Note or Coupon is not a Business Day, the holder shall not be entitled to payment until the next following Business Day nor to any interest or other sum in respect of the postponement of such payment. In this paragraph (h), “Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation and in such jurisdictions (if any) as are specified as “Additional Financial Centres” hereon, and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in any currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. **Taxation**

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes and the Coupons shall be made without withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, except to the extent that the withholding or deduction is made in respect of FATCA, or any agreement entered into pursuant to

FATCA, the Issuer shall pay such additional amounts in respect of interest payments (but not in respect of any payments of principal) as shall result in receipt by the holders of Notes or Coupons of such amounts as would have been received by them had no such withholding or deduction been required by law to be made, except that no such additional amounts shall be payable with respect to any Note or Coupon:

(a) **Other Connection**

presented for payment by or on behalf of, or held by, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note or Coupon; or

(b) **Lawful Avoidance of Withholding**

presented for payment by or on behalf of, or held by, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim or filing for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it) or Coupon is presented for payment or held by a holder; or

(c) **Presentation More Than 30 Days After the Relevant Date**

presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day after the Relevant Date; or

(d) **Presented for Payment in the United Kingdom**

presented for payment in the United Kingdom; or

(e) **Any Combination**

where the requirement to withhold or deduct which would otherwise give rise to the obligation to pay additional amounts arises out of any combination of paragraphs (a) to (d) above.

As used in these Conditions, “Relevant Date” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or the Certificate representing it) or Coupon being made in accordance with these Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Special Redemption Price, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “interest” shall be deemed to include any additional amounts that may be payable under this Condition 8 or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default and Enforcement

(a) Right to Institute Winding-up

Notwithstanding any of the provisions below in this Condition 10, the right to institute winding-up proceedings in respect of the Issuer is limited to circumstances where payment has become due.

Pursuant to Condition 3(b), no principal, interest or any other amount will be due on the relevant payment date if the Solvency Condition is not satisfied both at the time of and immediately after any such payment. In the case of any payment of interest in respect of the Notes, such payment may be deferred pursuant to Condition 5(a) and will be deferred if Condition 5(b) applies and, in each case, if so deferred will not be due and, in the case of payment of principal, such payment will be deferred and will not be due if Condition 6(a)(ii) applies.

If:

- (i) default is made for a period of seven days or more in the payment of any interest due in respect of the Notes or any of them; or
- (ii) default is made for a period of seven days or more in payment of the principal due in respect of the Notes or any of them,

the Trustee may at its discretion and without further notice (subject to Condition 10(d)) institute proceedings for the winding-up of the Issuer and/or prove in the winding-up or administration of the Issuer and/or claim in the liquidation of the Issuer for such payment, but may take no further or other action to enforce, prove or claim for any such payment. No payment in respect of the Notes, the Coupons or the Trust Deed may be made by the Issuer pursuant to this Condition 10(a), otherwise than during or after a winding-up of the Issuer or after any administrator of the Issuer has given notice that it intends to declare and distribute a dividend, unless the Issuer has given prior written notice (with a copy to the Trustee) to, and received consent due notification of non-objection in writing from, the Relevant Regulator (if and to the extent required by the Relevant Regulator or the Relevant Rules at the relevant time), which the Issuer shall confirm in writing to the Trustee.

(b) Amount Payable on Winding-up

If an order is made by the competent court or a resolution passed for the winding-up of the Issuer, (except, in any such case, a solvent winding-up, solely for the purpose of a reconstruction or amalgamation of the Issuer, the terms of which reconstruction or amalgamation (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (ii) do not provide that the Notes shall thereby become payable) or an administrator of the Issuer gives notice that it intends to declare and distribute a dividend, the Trustee at its discretion may, and if so requested by holders of at least one-quarter in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject, in each case, to Condition 10(d)), give notice to the Issuer that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at the amount equal to their principal amount together with accrued interest and any Arrears of Interest.

(c) Enforcement

Without prejudice to Conditions 10(a) and 10(b), the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer under or arising from the Notes, the Coupons or the Trust Deed (including, without limitation, any payment obligation in respect of any principal, premium or interest, or any damages awarded for breach of any obligations), provided that in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums (in cash or otherwise) sooner than the same would otherwise have been payable by it. Nothing in this Condition 10(c) shall, subject to Condition 10(a), prevent the Trustee instituting proceedings for the winding-up of the Issuer, proving in any winding-up of the Issuer and/or claiming in any liquidation of the Issuer in respect of any payment obligations of

the Issuer arising from the Notes, the Coupons or the Trust Deed (including, without limitation, payment of any principal, premium or interest in respect of the Notes or the Coupons and any damages awarded for any breach of any obligations).

(d) **Entitlement of the Trustee**

The Trustee shall not be bound to take any of the actions referred to in Conditions 10(a), 10(b) or 10(c) to enforce the obligations of the Issuer under the Trust Deed, the Notes or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

(e) **Rights of Noteholders**

No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding up of the Issuer or to prove in the winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise as set out in this Condition 10.

(f) **Extent of Noteholders' Remedy**

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes, the Coupons or under the Trust Deed.

11. Meetings of Noteholders, Modification and Waiver

(a) **Meetings of Noteholders**

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting (which need not be a physical meeting and instead may be held by way of conference call, including by use of a videoconference platform) may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts or Arrears of Interest on the Notes, (ii) to reduce or cancel the principal amount of or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest or Arrears of Interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, Special Redemption Price or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, or (viii) to modify Condition 3, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

Notwithstanding the foregoing, the agreement or approval of the Noteholders shall not be required in the case of any variation of these Conditions and/or the Trust Deed to which the Trustee has been obliged to agree in the circumstances described in Conditions 6(d) or 6(f) in connection with the substitution or variation of the Notes so that they remain, are replaced by, or become, Qualifying Tier 2 Securities, or in the circumstances described in Condition 6(g) in connection with the substitution or variation of the Notes so that they are replaced by, remain, or become, Rating Agency Compliant Securities, and no such substitution, variation or amendment proposed in relation thereto shall be regarded as a matter described in (i) to (viii) in the paragraph above. In addition, the Trustee shall be obliged to concur with the Issuer in giving effect to any Alternative Reference Rate, Adjustment Spread, Floating Rate Calculation Changes, Benchmark Replacement, Benchmark Replacement Conforming Changes or Alternative Relevant Rate pursuant to, and in accordance with, Condition 4(b)(iii)(E) or Condition 4(d)(iv) (as applicable) in the circumstances set out therein, without the consent of the Noteholders or Couponholders.

(b) **Modification of the Trust Deed**

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error or error proven to the satisfaction of the Trustee, or (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of these Conditions and the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on all the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

In addition, the Trustee shall, at the direction of the Issuer (following consultation with the Issuing and Paying Agent and the Calculation Agent) agree, without the consent of the Noteholders or Couponholders to any modification or amendment to the provisions of the Trust Deed that is required to give effect to Condition 4(b)(iii)(E) or Condition 4(d)(iv) (as applicable) in the circumstances set out therein.

(c) **Notice to Relevant Regulator**

No modification to these Conditions or any other provisions of the Trust Deed shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the Relevant Regulator (or such other period of notice as the Relevant Regulator may accept or require and, in any event, provided that there is a requirement to give such notice).

(d) **Substitution**

The Trustee, if it is satisfied that such substitution would not be materially prejudicial to the interests of the Noteholders or Couponholders, may agree with the Issuer, without the consent of the Noteholders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 3 of the Retiring Issuer's successor in business (the "**New Issuer**") in place of the Retiring Issuer as the principal debtor under the Trust Deed, the Notes, the Coupons and the Talons provided that:

- (i) a deed is executed or undertaking given by the New Issuer to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of the Trust Deed, the Notes, the Coupons and the Talons (with such consequential amendments as the Trustee may deem appropriate) as if the New Issuer had been named in the Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Retiring Issuer;
- (ii) if any two Directors of the New Issuer certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the New Issuer's financial condition, profits or prospects or compare them with those of the Issuer;
- (iii) (without prejudice to the generality of sub-paragraph (i) above) the Trustee may in the event of such substitution agree, without the consent of the Noteholders or Couponholders, to a change in the law governing the Trust Deed and/or the Notes

and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders;

- (iv) if the New Issuer is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “**Substituted Territory**”) other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Retiring Issuer is subject generally (the “**Issuer's Territory**”), the New Issuer will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for the references in that Condition and in Condition 6(d) to the Issuer's Territory of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Coupons and the Talons will be read accordingly; and
- (v) the Retiring Issuer and the New Issuer comply with such other requirements as the Trustee may direct in the interests of the Noteholders.

In connection with any proposed substitution as aforesaid, the Trustee shall have regard to the interests of the Noteholders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no Noteholder or Couponholder shall be entitled to claim, whether from the Retiring Issuer, the New Issuer or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual Noteholders or Couponholders except to the extent already provided in Condition 8 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

Any substitution pursuant to this Condition 11(d) shall: (i) if prior to the fifth anniversary of the Issue Date (or, if any further Tranche(s) of the Notes has or have been issued pursuant to Condition 15 and consolidated to form a single series with the Notes, within five years of the Issue Date of the latest such Tranche to be issued), be subject to Condition 6(c)(i); and (ii) be subject (to the extent then required by the Relevant Regulator or the Relevant Rules) to any notifications to, or consent or provision of non-objection from, the Relevant Regulator and the Relevant Regulator not having withdrawn its approval, permission or consent, to such act.

12. Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in Condition 11), the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

13. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

14. Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) or of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as

the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

15. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition 15 and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16. Notices

Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 16.

If it receives a written request by Noteholders holding at least 10 per cent. in nominal amount of the Notes of any Series for the time being outstanding and is indemnified and/or secured and/or prefunded to its satisfaction against all costs and expenses, the Trustee shall convene a meeting of the Noteholders of that Series. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day and time of the meeting and the manner in which it is to be held, and if a physical meeting or hybrid meeting is to be held, the place of the meeting and, unless the Trustee otherwise agrees, the nature of the resolutions to be proposed and shall explain how Noteholders may appoint

proxies or representatives, obtain voting certificates and use block voting instructions and the details of the time limits applicable. With respect to a virtual meeting or a hybrid meeting, each such notice shall set out such other and further details as are required under paragraph 34.

Arrangements for Voting

5 If a holder of a Bearer Note wishes to obtain a voting certificate in respect of it for a meeting, he must deposit it for that purpose at least 48 hours before the time fixed for the meeting with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose. The Paying Agent shall then issue a voting certificate in respect of it.

6 A voting certificate shall:

6.1 be a document in the English language;

6.2 be dated;

6.3 specify the meeting concerned and the serial numbers of the Notes deposited; and

6.4 entitle, and state that it entitles, its bearer to attend and vote at that meeting in respect of those Notes.

7 Once a Paying Agent has issued a voting certificate for a meeting in respect of a Note, it shall not release the Note until either:

7.1 the meeting has been concluded; or

7.2 the voting certificate has been surrendered to the Paying Agent.

8 If a holder of a Bearer Note wishes the votes attributable to it to be included in a block voting instruction for a meeting, then, at least 48 hours before the time fixed for the meeting, (i) the holder must deposit the Note for that purpose with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose and (ii) the holder or a duly authorised person on their behalf must direct the Paying Agent how those votes are to be cast. The Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.

9 A block voting instruction shall:

9.1 be a document in the English language;

9.2 be dated;

9.3 specify the meeting concerned;

9.4 list the total number and serial numbers of the Notes deposited, distinguishing with regard to each resolution between those voting for and those voting against it;

9.5 certify that such list is in accordance with Notes deposited and directions received as provided in paragraphs 8, 11 and 14; and

9.6 appoint a named person (a “**proxy**”) to vote at that meeting in respect of those Notes and in accordance with that list.

A proxy need not be a Noteholder.

- 10** Once a Paying Agent has issued a block voting instruction for a meeting in respect of the votes attributable to any Notes:
- 10.1** it shall not release the Notes, except as provided in paragraph 11, until the meeting has been concluded; and
- 10.2** the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the meeting.
- 11** If the receipt for a Note deposited with a Paying Agent in accordance with paragraph 8 is surrendered to the Paying Agent at least 48 hours before the time fixed for the meeting, the Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.
- 12** Each block voting instruction shall be deposited at least 24 hours before the time fixed for the meeting at such place or delivered by another method as the Trustee shall designate or approve, and in default it shall not be valid unless the chairperson of the meeting decides otherwise before the meeting proceeds to business. If the Trustee requires, a notarially certified copy of each block voting instruction shall be produced by the proxy at the meeting or delivered to the Trustee prior to the meeting but the Trustee need not investigate or be concerned with the validity of the proxy's appointment.
- 13** A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders' instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the relevant Paying Agent by the Issuer or the Trustee at its registered office or by the chairperson of the meeting in each case at least 24 hours before the time fixed for the meeting.
- 14** No Note may be deposited with or to the order of a Paying Agent at the same time for the purposes of both paragraph 5 and paragraph 8 for the same meeting.
- 15**
- 15.1** A holder of a Registered Note may, by an instrument in writing in the form available from the specified office of a Transfer Agent in the English language executed by or on behalf of the holder and delivered to the Transfer Agent at least 24 hours before the time fixed for a meeting, appoint any person (a "**proxy**") to act on his behalf in connection with that meeting. A proxy need not be a Noteholder.
- 15.2** A corporation which holds a Registered Note may by delivering to a Transfer Agent at least 24 hours before the time fixed for a meeting a certified copy of a resolution of its directors or other governing body (with, if it is not in English, a certified translation into English) authorise any person to act as its representative (a "**representative**") in connection with that meeting.

Chairperson

- 16** The chairperson of a meeting shall be such person as the Trustee may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Noteholders or agents present shall choose one of their number to be chairperson, failing which the relevant Issuer may appoint a chairperson. The chairperson need not be a Noteholder or agent. The chairperson of an adjourned meeting need not be the same person as the chairperson of the original meeting.

Attendance

- 17** The following may attend and speak at a meeting:
- 17.1** Noteholders and agents;
 - 17.2** the chairperson;
 - 17.3** the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) and the Trustee (through their respective representatives) and their respective financial and legal advisers; and
 - 17.4** the Dealers and their advisers.

No-one else may attend, participate and/or speak.

Quorum and Adjournment

- 18** No business (except choosing a chairperson) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Issuer and the Trustee agree, be dissolved. In any other case it shall be adjourned until such date, being not less than 14 nor more than 42 days later, and time and place or manner in which it is to be held as the chairperson may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.
- 19** Two or more Noteholders or agents present at the meeting shall be a quorum:
- 19.1** in the cases marked "No minimum proportion" in the table below, whatever the proportion of the Notes which they represent; and
 - 19.2** in any other case, only if they represent the proportion of the Notes shown by the table below.

COLUMN 1	COLUMN 2	COLUMN 3
Purpose of meeting	Any meeting except one referred to in column 3	Meeting previously adjourned through want of a quorum
	Required proportion	Required proportion
To pass a special quorum resolution	75 per cent.	25 per cent.
To pass any other Extraordinary Resolution	A clear majority	No minimum proportion
Any other purpose	10 per cent.	No minimum proportion

- 20** The chairperson may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place and alternate manner. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph 20 or paragraph 18.
- 21** At least 10 days' notice of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required

at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

- 22** At a meeting which is held only as a physical meeting, each question submitted to such meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairperson, the relevant Issuer, the Guarantor (in the case of Notes issued by L&GF), the Trustee or one or more persons representing in aggregate two per cent. or more of the Notes.
- 23** Unless a poll is demanded, a declaration by the chairperson that a resolution has or has not been passed shall be conclusive evidence of that fact without proof of the number or proportion of the votes cast in favour of or against it.
- 24** If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairperson directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.
- 25** A poll demanded on the election of a chairperson or on a question of adjournment shall be taken at once.
- 26** On a show of hands every person who is present in person and who produces a Bearer Note, a Certificate in respect of Notes of which he is the registered holder or a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote in respect of each integral currency unit of the Specified Currency of such Series of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- 27** In case of equality of votes the chairperson shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.
- 28** At a virtual meeting or a hybrid meeting, a resolution put to the vote of the meeting shall be decided on a poll in accordance with paragraph 36, and any such poll will be deemed to have been validly demanded at the time fixed for holding the meeting to which it relates.

Effect and Publication of an Extraordinary Resolution

- 29** An Extraordinary Resolution shall be binding on all the Noteholders, whether or not present at the meeting, and on all the Couponholders and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The relevant Issuer shall give notice of the passing of an Extraordinary Resolution to Noteholders within 14 days but failure to do so shall not invalidate the resolution.

Minutes

- 30** Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairperson of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Trustee's Power to Prescribe Regulations

- 31** Subject to all other provisions in this Trust Deed the Trustee may without the consent of the Noteholders prescribe or approve such further regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines or as proposed by the relevant Issuer or the Guarantor (in the case of Notes issued by L&GF) including (without limitation) such requirements as the Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so.
- 32** The holder of a Global Note or Global Certificate shall (unless such Global Note or Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders.
- 33** The foregoing provisions of this Schedule 3 shall have effect subject to the following provisions:
- 33.1** Meetings of Noteholders of separate Series will normally be held separately. However, the Trustee may from time to time determine that meetings of Noteholders of separate Series shall be held together;
- 33.2** A resolution that in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series concerned;
- 33.3** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series provided that, for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 26, each Noteholder shall have one vote in respect of each £1,000 nominal amount of Notes held, converted, if such Notes are not denominated in pounds sterling, in accordance with sub-Clause 11.13;
- 33.4** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if duly passed at separate meetings of the Noteholders of the relevant Series; and
- 33.5** To all such meetings as aforesaid all the provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.

Additional provisions applicable to Virtual and/or Hybrid Meetings

- 34** The relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may decide to hold a virtual meeting or a hybrid meeting and, in such case, shall provide details of the means for Noteholders or their proxies or representatives to attend, participate in and/or speak at the meeting, including the electronic platform to be used.
- 35** The relevant Issuer, the Guarantor (in the case of Notes issued by L&GF) or the chairperson (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may make any arrangement and impose any requirement or restriction as is necessary to ensure

the identification of those entitled to take part in the virtual meeting or hybrid meeting and the suitability of the electronic platform. All documentation that is required to be passed between persons at or for the purposes of the virtual meeting or persons attending the hybrid meeting via the electronic platform (in each case, in whatever capacity) shall be communicated by email (or such other medium of electronic communication as the Trustee may approve).

- 36** All resolutions put to a virtual meeting or a hybrid meeting shall be voted on by a poll in accordance with paragraphs 24 to 27 above (inclusive).
- 37** Persons seeking to attend, participate in, speak at or join a virtual meeting or a hybrid meeting via the electronic platform, shall be responsible for ensuring that they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.
- 38** In determining whether persons are attending, participating in or joining a virtual meeting or a hybrid meeting via the electronic platform, it is immaterial whether any two or more members attending it are in the same physical location as each other or how they are able to communicate with each other.
